# Safety Instruction Guide for 1" Square Pastes

## Introduction

Thank you for choosing the 1" Square Pastes by National Target. These target pastes are designed to help you quickly and effectively repair your shooting targets. This guide provides important safety information, usage instructions, and disposal guidelines to ensure your safe and enjoyable experience.

## General Safety Guidelines

- Ensure that all users are aware of the safe handling and application of the target pastes.
- Keep pastes out of reach of children to prevent accidental misuse.
- Do not use pastes on any surface that may be damaged by adhesive.
- Regularly check for any signs of wear or damage to ensure continued effectiveness.
- Report any unsafe product experiences or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Use the pastes only for their intended purpose, which is to cover holes in shooting targets.
- Avoid applying pastes to wet or dirty surfaces, as this may affect adhesion.
- Do not expose pastes to extreme temperatures or direct sunlight for prolonged periods.
- If you experience any skin irritation or allergic reaction from the adhesive, discontinue use and seek medical advice.

## Instructions for Installation and Usage

### 1. Prepare the Target Surface

- Ensure the target area is clean and dry.
- Remove any debris or old pastes from the target.

### 2. Applying the Paster

- Peel the paster from the roll carefully.
- Position the paster directly over the hole in the target.
- Press down firmly to ensure a secure bond.

### 3. PostApplication

- Allow the paster to adhere for a few moments before handling the target.
- Check the edges of the paster to ensure they are firmly attached.

### 4. Storage

- Store the pastes in a cool, dry place.
- Keep the roll tightly sealed when not in use to maintain adhesive quality.

## Disposal Instructions

- Dispose of used pastes in accordance with local regulations for waste disposal.
- Do not dispose of pastes in water sources or natural environments.
- If you have a large quantity of pastes to dispose of, consider contacting local waste management for guidance.
