# Safety Instruction Guide for NO. 71 Compression Gun Springs

## Introduction

Thank you for choosing the NO. 71 Compression Gun Springs Assortment by Brownells. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this guide carefully before using the compression springs.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling springs.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the springs before use for any signs of damage or wear.
- Do not modify the springs in any way, as this may affect their performance and safety.
- Report any unsafe products or accidents to the relevant authorities.
- Stay updated on product recalls and safety alerts via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Handle with care to avoid injury from potential recoil or snapping of springs.
- Use the springs only within their specified load and dimensional limits.
- Ensure that the springs are installed correctly to avoid malfunction or damage.
- Avoid exposing the springs to extreme temperatures or harsh chemicals that may compromise their integrity.
- Store the springs in a dry, cool place to prevent corrosion and deterioration.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials before starting the installation.
- Ensure that your work area is clean and organized.

### 2. Installation:

- Select the appropriate size of the compression spring based on your specific application.
- Insert the spring into the designated area, ensuring it is properly seated.
- If applicable, secure the spring using the appropriate fasteners or components.

### 3. Usage:

- When using the compression springs, apply force gradually to avoid sudden stress.
- Monitor the performance of the springs during use to identify any issues early.
- If you notice any unusual sounds or behavior, discontinue use immediately and inspect the springs.

### 4. PostUse Care:

- After use, clean the springs to remove any dirt or debris.
- Store the springs in a safe location, away from moisture and direct sunlight.

## **Disposal Instructions**

- Dispose of any damaged or wornout springs in accordance with local regulations.
- Do not dispose of springs in regular household waste.
- Consider recycling options if available.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the NO. 71 Compression Gun Springs, please refer to the manufacturer's contact information provided on the product packaging or visit the manufacturer's official website.

Thank you for your attention to these safety guidelines. Your safety is our priority, and we hope you enjoy the benefits of using the NO. 71 Compression Gun Springs.
