# M16 MILSPEC MP BOLT CARRIER GROUP SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the M16 MILSPEC MP Bolt Carrier Group by Brownells. This guide provides essential safety instructions and guidelines to ensure the safe use and maintenance of your product. Please read this guide carefully to understand the necessary precautions and proper usage of the Bolt Carrier Group.

## General Safety Guidelines

- Ensure that all safety precautions are observed during the handling and use of the M16 Bolt Carrier Group.
- Keep the product out of reach of children and unauthorized users.
- Always treat the Bolt Carrier Group as if it is loaded, even when it is not.
- Familiarize yourself with the operating manual of your firearm to ensure compatibility and safe operation.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Inspect the Bolt Carrier Group before each use to ensure there are no visible defects or damage.
- Do not use the Bolt Carrier Group if it has been altered or modified in any way.
- Ensure that the product is installed correctly according to the manufacturer's instructions.
- Use only compatible ammunition types: 223 Remington, 5.56 mm NATO, and 300 AAC Blackout.
- Wear appropriate safety gear, including eye and ear protection, when operating your firearm.
- Be aware of your surroundings and ensure a safe shooting environment.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove the existing Bolt Carrier Group from your firearm.
- Carefully insert the M16 Bolt Carrier Group into the receiver, ensuring it is seated properly.
- Ensure that the gas key screws are properly torqued and staked.
- Confirm that the Bolt and Bolt Carrier feature a matte black milspec finish.

### 2. Usage:

- Load the firearm with compatible ammunition.
- Engage the safety mechanism until you are ready to fire.
- Always fire in a controlled manner, keeping the firearm pointed downrange.
- After use, ensure the firearm is unloaded and clean the Bolt Carrier Group as per the maintenance guidelines.

## Disposal Instructions

- Dispose of the M16 Bolt Carrier Group in accordance with local regulations.
- Do not dispose of any firearm components in regular household waste.
- Contact local authorities or a licensed firearms dealer for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the M16 MILSPEC MP Bolt Carrier Group, please contact your local authorized dealer or the manufacturer directly.

Thank you for prioritizing safety with your M16 MILSPEC MP Bolt Carrier Group. By following these guidelines, you can ensure a safe and enjoyable experience.
