A Solid Foundation for Your Next Custom Build

Sometimes you want the latest, updated, tweaked component, and sometimes you need a basic stripped receiver where the production effort goes into quality, rather than bells and whistles. The Brownells M4 Stripped Upper Receiver is that component - the perfect starting point for many an AR-15 build. Starting with a 7075 T6 aluminum forging, our stripped M4 flattop upper is precision machined to final dimensions that make it compatible with the multitude of available "mil-spec" AR-15 components. It has a matte black, Type III hardcoat anodized finish, mirroring the military requirement. Machined from 7075-T6 aluminum forging Matte black Type III hardcoat anodized finish Mil-spec dimensions for maximum parts compatibility Standard .250" dia. pivot/takedown pin holes Inside our upper features M4 feed ramps to aid in chambering during high rates of fire. Please note: this is a truly stripped upper receiver, with NO forward assist or ejection port cover installed, so you can truly customize every aspect of your rifle. The Brownells M4 Stripped Upper Receiver is a top-tier upper receiver, at a great price.

Safety Instruction Guide for AR15 M4 Stripped Upper Receiver

Introduction

Thank you for choosing the Brownells AR15 M4 Stripped Upper Receiver. This guide provides essential safety instructions to ensure the safe use and handling of your product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure all safety precautions are followed when handling and using the upper receiver.
- Always treat your firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the upper receiver and all firearm components in a secure location, away from children and unauthorized users.
- Regularly inspect your firearm for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and usage.

Specific Safety Precautions for Use

- Always use the upper receiver in conjunction with compatible AR15 components.
- Ensure that the upper receiver is properly installed on a lower receiver before use.
- Do not attempt to modify or alter the upper receiver in any way, as this may compromise safety and performance.
- Use only ammunition that is specified for the AR15 platform, specifically 5.56 mm NATO.
- Be aware of the potential for rapid fire and ensure you are trained to handle the firearm safely in such conditions.
- Avoid using the upper receiver in adverse weather conditions that may affect performance.

Instructions for Installation and Usage

1. Installation:

- Ensure you have the necessary tools, including an armorer's wrench and torque wrench.
- Align the upper receiver with the lower receiver, ensuring the pivot and takedown pin holes are properly aligned.
- Insert the pivot pin and takedown pin, securing the upper receiver to the lower receiver.
- Torque the pins to the manufacturer's specifications to ensure a secure fit.
- Inspect the fitment to ensure there is no movement between the upper and lower receivers.

2. Usage:

- Before firing, ensure the firearm is clear of any obstructions.
- Load the firearm according to the manufacturer's instructions, ensuring proper seating of the magazine.
- When ready to fire, ensure that the safety is in the "fire" position.
- Maintain a firm grip on the firearm and be aware of your surroundings.
- After firing, follow proper procedures for clearing the firearm and inspecting for any issues.

Disposal Instructions

- Dispose of the upper receiver and any associated components in accordance with local regulations.
- If the upper receiver is damaged or no longer needed, consider recycling the aluminum material where applicable.
- Do not dispose of any firearm components in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the Brownells AR15 M4 Stripped Upper Receiver, please refer to the manufacturer's website or customer support. Ensure you have all relevant product information on hand when seeking assistance.

By following the instructions and guidelines provided in this document, you can ensure safe operation and handling of your AR15 M4 Stripped Upper Receiver. Thank you for your attention to safety.
