

9MM GEN3 WINDOWED SLIDE W/RMR RM06 RED DOT FOR GLOCK® - BROWNELLS WINDOWED SLIDE W/RMR RM06 FOR GEN3 GLOCK 19

[Handgun Parts](#) > [Slide Parts](#) > [Slides](#)

Brownells Front Cut RMR Slides for Glock® pistols feature a distinctive, wraparound serration pattern that aids in manipulating the slide, especially when checking the chamber. They also come with a pre-cut slot for easy, secure, low-profile mounting of a Trijicon RMR sight. In addition, you can get your Front Cut RMR Slide with a "window" cutout on top between the front serrations that reduces weight and enhances airflow to keep the barrel cooler. Fits Gen3 Glock 17 and 19 pistols & components Machined from corrosion-resistant 17-4 stainless steel billet Heat treated to add surface hardness & given a wear-resistant matte black Nitride finish Comes as a kit with a Trijicon RMR RM06 which features adjustable brightness and a 3.25 MOA Dot. The RMR has a long battery life off a single CR2032 Battery and is housed in a rugged forged aluminum housing. Channel liner required for these slides. Channel liners are a press fit and require a tool to install. Includes patented optic cut technology pioneered by ZEV Technologies. Patent No. RE47335

Safety Instruction Guide for 9MM GEN3 WINDOWED SLIDE W/RMR RM06 RED DOT FOR GLOCK®

Introduction

Thank you for choosing the 9MM GEN3 WINDOWED SLIDE W/RMR RM06 RED DOT FOR GLOCK®. This guide provides essential safety instructions and information to ensure the safe use and installation of your product. Please read this document carefully before use.

General Safety Guidelines

- **Product Safety:** Ensure that the slide is used only with compatible Glock® models (Gen3 Glock 17 and 19).
- **Enhanced Recalls:** Stay informed about product recalls. If you receive any notice regarding this product, follow the instructions provided.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety regulations.
- **Special Consumer Focus:** This product is intended for adult users. Keep it out of reach of children.
- **EU Contact Point:** For safety inquiries, refer to the contact information provided by your retailer or distributor.
- **Rapid Alerts:** Regularly check the EU Safety Gate platform for updates on product safety.

Specific Safety Precautions for Use

- **Installation:** Ensure proper installation of the slide to avoid malfunction. Follow the installation instructions carefully.
- **Handling:** Always treat the firearm as if it is loaded. Keep the muzzle pointed in a safe direction at all times.
- **Maintenance:** Regularly inspect the slide for wear and tear. Replace any damaged components immediately.
- **Use of Optics:** Ensure that the Trijicon RMR RM06 is securely mounted and functioning correctly before use.
- **Environmental Conditions:** Avoid using the firearm in extreme weather conditions that may affect performance.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before beginning installation.
- Remove the factory slide from the Glock® pistol by following the manufacturer's instructions.
- Align the Brownells Front Cut RMR Slide with the frame of the Glock®.
- Insert the provided channel liner into the slide. Use the appropriate tool for installation.
- Secure the Trijicon RMR RM06 sight in the precut slot on the slide. Ensure it is mounted securely.

2. Usage:

- Always wear appropriate eye and ear protection when using the firearm.
- Ensure that the firearm is in a safe condition before loading and firing.
- Familiarize yourself with the operation of the Trijicon RMR RM06, including brightness adjustments.
- After use, clean and maintain the firearm according to the manufacturer's guidelines.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding the product or safety concerns, please refer to the contact information provided by your retailer or distributor.

Thank you for your attention to these safety guidelines. Enjoy your new 9MM GEN3 WINDOWED SLIDE W/RMR RM06 RED DOT FOR GLOCK® responsibly and safely.
