

DELTA POINT CUT SLIDE FOR GLOCK® 19 GEN 3 - BROWNELLS DPP SLIDE +WINDOW FOR GEN 3 GLOCK® 19 STAINLESS NITRIDE

[Handgun Parts](#) > [Slide Parts](#) > [Slides](#)

Our Leupold Delta Point Pro Cut Slide for Glock® 19 Gen3 pistols features distinctive, wraparound front cocking serrations that aid in manipulating the slide to check the chamber or clear a jam. (OK, we'll admit it: the serrations just look cool, too.) It also comes with a pre-cut slot for easy, secure mounting of a Leupold Delta Point Pro or compatible footprint red dot sight. All DPP Slides also have standard Glock® factory front and rear sight dovetails for "iron" backup sights. To get proper co-witnessing with the DPP, you will need to also install suppressor-height iron sights. You can also get your Brownells DPP Slide for Glock® 19 Gen3 with a "window" cutout on top that enhances airflow to keep the barrel cool - ideal for hard-working action competition pistols. Plus, if you have an upgraded barrel with a contrasting finish or a unique exterior pattern (fluting, spirals, "flames," etc.) the window lets you show it off a bit! Each DPP Slide for Glock® starts life as a billet of 17-4 stainless steel that is machined to Glock® factory specifications inside, so it'll fit factory frames and accept factory or aftermarket barrels and Gen3 internal parts. Slides are heat-treated to Rc 41-44 on the Rockwell C scale for added surface hardness and wear resistance. Fits Gen3 Glock® 19 pistols & clones Machined from corrosion-resistant 17-4 stainless steel billet Leupold Delta Point Pro footprint Plus factory front/rear sight cuts Available with distinctive top Window cutout or traditional Solid top A Brownells DPP Slide is the ideal upgrade for your factory Glock® 19 Gen3 pistol. Brownells Gun Tech™ Note: Channel liner required for these slides. Channel liner is a press fit and requires a tool to install. We recommend #777-100-017. Includes patented optic cut technology pioneered by ZEV Technologies. Patent No. RE47335

Safety Instruction Guide for DELTA POINT CUT SLIDE FOR GLOCK® 19 GEN 3

Introduction

Thank you for choosing the DELTA POINT CUT SLIDE FOR GLOCK® 19 GEN 3. This guide provides important safety instructions to ensure the safe and effective use of your product. Please read and follow these instructions carefully to avoid potential hazards.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms and related accessories with care and respect.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage.
- Always follow local laws and regulations regarding firearm modifications and accessories.
- If you experience any issues with the product, discontinue use immediately and seek assistance.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Before installation, ensure that the firearm is unloaded and pointed in a safe direction.
- Use appropriate tools and follow the installation instructions carefully to avoid damaging the slide or firearm.
- Ensure that the slide is securely mounted before use to prevent accidents.
- Only use compatible red dot sights as specified for the DELTA POINT CUT SLIDE.
- When using the slide for competitive shooting, be aware of your surroundings and follow all safety protocols.
- If using suppressorheight sights, ensure they are correctly installed for proper cowitnessing with the red dot sight.
- Do not modify the slide or firearm in ways not specified in the manufacturer's guidelines.

Instructions for Installation and Usage

Installation Instructions

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including the recommended channel liner installation tool (#777100017).

2. Remove Existing Slide:

- Follow the manufacturer's instructions for safely removing the existing slide from your Glock® 19 Gen3.

3. Install Channel Liner:

- Install the channel liner using the appropriate tool. Ensure it is a press fit for secure placement.

4. Mount the Delta Point Cut Slide:

- Align the slide with the factory frame.
- Securely attach the slide, ensuring it fits flush with the frame.

5. **Install Red Dot Sight:**

- Follow the manufacturer's instructions for mounting the Leupold Delta Point Pro or compatible sight.

6. **Final Check:**

- Ensure all components are securely fastened and functioning correctly before use.

Usage Instructions

- Always check the chamber for any ammunition before handling the firearm.
- Use the cocking serrations to manipulate the slide safely.
- Regularly clean and maintain the slide to ensure optimal performance.
- Monitor the temperature of the barrel during extended use to prevent overheating.

Disposal Instructions

- Dispose of the product in accordance with local regulations for metal and firearm accessories.
- If the product is damaged beyond repair, ensure it is rendered unusable before disposal.

Contact Information for Further Support

For any questions or concerns regarding the DELTA POINT CUT SLIDE FOR GLOCK® 19 GEN 3, please refer to the manufacturer's website or contact their customer support. Ensure you have your product details ready for assistance.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your DELTA POINT CUT SLIDE FOR GLOCK® 19 GEN 3. Thank you for your attention to safety.
