Safety Instruction Guide for 115 SWIVEL PART SET SWIVEL STUD PARTS SET, BLUED

Introduction

Thank you for choosing the 115 Swivel Part Set Swivel Stud Parts Set, Blued. This guide provides essential safety instructions and guidelines to ensure the safe use and maintenance of your product. Please read this manual carefully before installation and usage.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always inspect the product for any damages or defects before use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to local authorities.
- Stay informed about any product recalls or updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the product only with compatible firearms and accessories.
- Do not exceed the recommended weight limit for the swivels.
- Avoid using the product in adverse weather conditions that may compromise safety.
- Ensure all screws and fittings are securely tightened before use.
- Regularly check for wear and tear, and replace parts as necessary.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools, including a screwdriver and wrench.
- Ensure you have a clean and well-lit workspace.

2. Installation Steps

- Identify the mounting location for the swivel stud on your firearm or accessory.
- Use the 7/8" machine screw and nut to attach the swivel stud to the designated location.
- For wooden surfaces, utilize the 3/4" wood screw for secure installation.
- Tighten all screws firmly to ensure stability.

3. Usage Instructions

- Attach your sling or other accessory to the swivel once installed.
- Check the attachment points regularly during use to ensure they remain secure.
- If you notice any signs of wear or instability, discontinue use immediately and inspect the product.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling options where available to minimize environmental impact.

Contact Information for Further Support

For any safety inquiries or product support, please refer to the manufacturer's contact details provided with your purchase.
