Three Compartments Protect Ammo Plus Other Supplies During Storage & Transport

Large capacity, impact-resistant, plastic, dry box keeps your ammo and precision shooting equipment and accessories secure, transportable and protected from the elements. Hinged cover features beefy, fold down, carry handle and integral tool compartment with snap down lid. Cam latch pulls cover down tight to form watertight seal between gasket and base. Two, molded flanges allow locked storage using your padlocks. Inside features 13½" x 7¼" removable tray with built-in handle; keeps cleaning supplies and other items organized on the shooting bench. Easy access, base compartment provides a roomy 13¼" x 6¾" x 5¼" storage space with tray installed.

Safety Instruction Guide for AMMO BOX PLUS POLYMER BLACK

Introduction

Thank you for choosing the AMMO BOX PLUS POLYMER BLACK. This product is designed to securely store and transport your ammunition and precision shooting equipment. To ensure your safety and the longevity of the product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always store the ammo box in a cool, dry place away from direct sunlight and heat sources.
- Ensure the box is closed and latched securely when not in use to prevent accidental opening.
- Keep the ammo box out of reach of children and unauthorized users.
- Regularly inspect the box for any signs of damage or wear. Do not use if damaged.
- Follow all local laws and regulations regarding the storage and transportation of ammunition.

Specific Safety Precautions for Use

- Do not overload the ammo box beyond its capacity to avoid damage or failure.
- Ensure that the contents are properly organized within the box to prevent shifting during transport.
- When carrying the box, use the builtin handle to maintain a secure grip.
- Avoid exposing the ammo box to extreme temperatures or conditions that may compromise its integrity.
- If using padlocks, ensure they are compatible with the molded flanges for secure locking.

Instructions for Installation and Usage

1. Unpacking the Ammo Box

- Remove the ammo box from its packaging.
- Inspect for any visible damage. If damaged, do not use and contact customer support.

2. Setting Up the Ammo Box

- Open the hinged cover by lifting it gently.
- Place the removable tray inside the box if desired. This tray can help keep cleaning supplies and other items organized.
- Ensure the tray is properly seated and does not obstruct the closing of the lid.

3. Loading the Ammo Box

- Place ammunition and shooting equipment inside the box, ensuring it is evenly distributed.
- Close the lid and engage the cam latch to secure the cover tightly against the gasket, forming a watertight seal.

4. Transporting the Ammo Box

- Always carry the box using the folddown carry handle.
- Ensure the lid is securely closed before transport.

5. Storing the Ammo Box

- Store the ammo box in a dry, cool location when not in use.
- Avoid stacking heavy objects on top of the box to prevent deformation.

Disposal Instructions

When it is time to dispose of your AMMO BOX PLUS POLYMER BLACK, please follow these guidelines: * Check local regulations for disposal of plastic materials. * If the box is still in usable condition, consider donating it to a local shooting club or community organization. * If the box is damaged beyond use, recycle it according to your local recycling program's guidelines for plastic materials.

Contact Information for Further Support

For any inquiries regarding safety, usage, or warranty, please refer to the contact information provided by the manufacturer. Ensure you have your product details ready for a quicker response.

Conclusion

By following these safety instructions, you can ensure a safe and efficient experience with your AMMO BOX PLUS POLYMER BLACK. Always prioritize safety and compliance with local regulations when using and storing ammunition. Thank you for your attention to these guidelines.
