# Safety Instruction Guide for .22.32 MASTER CHAMFERING KIT

## Introduction

Thank you for choosing the .22.32 MASTER CHAMFERING KIT. This guide provides essential safety instructions and usage guidelines to ensure a safe and effective experience. Please read this guide carefully before using the product.

## General Safety Guidelines

- Always ensure that the workspace is clean and organized to avoid accidents.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the chamfering kit.
- Keep the product out of reach of children and vulnerable individuals.
- Do not use the kit for any purpose other than its intended use.
- Inspect the kit for any damage or wear before each use. If any components are damaged, do not use the product.
- Follow all local regulations and guidelines regarding the use of tools and equipment.

## Specific Safety Precautions for Use

- Ensure that the pilot/shafts are securely attached before use to prevent accidents.
- Use the correct pilot/shaft size for the specific caliber you are working with.
- Avoid wearing loose clothing or jewelry that could get caught in the tools.
- Always work in a wellventilated area to avoid inhalation of any debris or particles.
- Do not exceed the recommended speeds or pressures when using the cutters.
- Keep hands and other body parts away from moving parts during operation.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all components of the .22.32 MASTER CHAMFERING KIT.
- Choose the appropriate pilot/shaft based on the caliber of the bore you will be working on.

### 2. Installation:

- Insert the selected pilot/shaft into the designated holder and secure it tightly.
- Attach the cutter that corresponds to the caliber being used.
- Ensure that the cutter is properly aligned and secured.

### 3. Usage:

- Position the firearm securely in a stable work area.
- Insert the pilot/shaft into the bore of the firearm.
- Gently rotate the tool while applying light pressure to chamfer the edges.
- Periodically check the cutter for wear and replace it if necessary.

### 4. PostUsage:

- Clean all components after use to remove debris and ensure longevity.
- Store the kit in a fitted bench box to prevent damage and maintain organization.

## **Disposal Instructions**

- Dispose of any worn or damaged components in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for local recycling programs or hazardous waste disposal options.

## **Contact Information for Further Support**

For any safety inquiries, product support, or to report unsafe products, please contact your local EUbased consumer safety authority. Always ensure you have the latest information regarding product recalls and safety updates through the EU Safety Gate platform.

Thank you for your attention to these safety guidelines. Proper usage and care of the .22.32 MASTER CHAMFERING KIT will enhance your experience and ensure safety.
