# RPN105 PROSPRING KIT FOR RUGER P85 & P90 Safety Instructions

## Introduction

Thank you for choosing the RPN105 PROSPRING KIT FOR RUGER P85 & P90. This kit is designed to enhance the performance of your firearm safely and effectively. Please read this safety instruction guide carefully to ensure proper use and maintenance of the product. Following these guidelines will help you avoid potential hazards and ensure a safe experience.

## General Safety Guidelines

- Always treat all firearms as if they are loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure the firearm is unloaded before performing any modifications or maintenance.
- Use eye protection when handling springs and performing installations.
- Store all components of the kit out of reach of children and unauthorized users.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls via the EU Safety Gate platform.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Improper installation may lead to malfunction or injury.
- Springs under tension can cause injury if mishandled.
- Using incorrect springs may affect firearm performance and safety.

### • Avoiding Hazards:

- Always follow the installation instructions carefully.
- Use appropriate tools and equipment when handling springs.
- Do not modify the springs beyond their intended use.
- If you are unsure about installation, seek assistance from a qualified gunsmith.

### • AgeSpecific Warnings:

- This product is intended for adult users only. Keep out of reach of children.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your firearm is unloaded and in a safe condition.
- Gather necessary tools, including screwdrivers and pliers.

### 2. Installation Steps:

- Remove the existing recoil and hammer springs from your firearm according to the manufacturer's instructions.
- Install the new FSW 11 lb. recoil spring in the designated area.
- Replace the existing hammer spring with the 23 lb. hammer spring.
- Install the RP 20 lb. hammer spring and the XP firing pin spring as per the instructions provided

- with your firearm.
- Doublecheck all springs are seated correctly and securely.

### **3. Usage:**

- After installation, conduct a function check to ensure proper operation.
- Test the firearm in a controlled environment to confirm that everything is functioning correctly.
- Regularly inspect the springs for wear and replace them as necessary.

## **Disposal Instructions**

- Dispose of any old springs and packaging responsibly.
- Follow local regulations for disposal of firearm components.
- Do not throw springs in regular trash; check for recycling options if available.

## **Contact Information for Further Support**

For any questions or concerns regarding the RPN105 PROSPRING KIT FOR RUGER P85 & P90, please reach out to the manufacturer's customer support or visit their website for additional resources.

Thank you for your attention to these safety instructions. Your safety is our priority.
