

SAVAGE 110 RIFLE ACTION WRENCH & HEAD - COMPLETE SQUARE NOTCH SAVAGE 110 ACTION WRENCH

[Gunsmith Tools & Supplies](#) > [General Gunsmith Tools](#) > [Wrenches](#) > [Action Wrenches & Components](#)

The only commercially available action wrench system that surrounds and supports the receiver ring and recoil lug to distribute potentially damaging torque forces equally. The solid steel base has a unique, machined relief to clear the recoil lug on most Mauser-type bolt action rifles and, the individual, bolt-on Heads are machined to provide an exact fit around and against the receiver ring or barrel nut for each of the firearm models listed. Together, they support the receiver in a ring of steel and greatly increase the amount of surface gripping area to totally eliminate twisted bolt ways or damaged, ruined receivers. This is the most advanced, complete, professional-quality, Action Wrench System. With it, you can prevent expensive receiver damage on MOST popular rifle actions, including military models, plus, models for selected handguns. Two-piece head fits completely around, and locks onto, the barrel nut with lugs on the inside radius of both upper and lower Heads. Round fits older Savage 110, 10 and Striker with round groove nut. Square fits newer 110, 10 and Striker with square groove nut.

SAVAGE 110 RIFLE ACTION WRENCH & HEAD COMPLETE SQUARE NOTCH Safety Instructions

Introduction

Thank you for choosing the SAVAGE 110 Rifle Action Wrench & Head Complete Square Notch. This product is designed to provide a safe and efficient way to work on your rifle. It is important to follow these safety instructions to ensure proper use and avoid any potential hazards.

General Safety Guidelines

- Always read and understand the product instructions before use.
- Ensure that the workspace is clean, welllit, and free from distractions.
- Keep the product out of reach of children and unauthorized users.
- Use the product only for its intended purpose as specified in the manual.
- Regularly inspect the product for signs of wear or damage before use.
- Report any unsafe conditions or product defects to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure the firearm is unloaded and the action is open before using the wrench.
- Always wear appropriate safety gear, including eye protection, when using the action wrench.
- Do not exceed the recommended torque specifications for your firearm.
- Avoid using excessive force, which may lead to damage to the firearm or injury.
- Keep hands and other body parts clear of moving parts during use.
- Do not modify the action wrench or its components in any way.
- If you are unsure about the operation, seek assistance from a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation:

- Verify that the firearm is unloaded and safe to work on.
- Gather all necessary tools and safety equipment.

2. Installing the Wrench:

- Select the appropriate head for your firearm model (round or square).
- Attach the head securely to the action wrench base.
- Ensure that the head fits snugly around the receiver ring or barrel nut.

3. Using the Wrench:

- Position the wrench over the receiver ring or barrel nut.
- Apply even pressure while turning the wrench to avoid damaging the firearm.
- Monitor for any unusual resistance or signs of damage during use.

4. After Use:

- Remove the action wrench and head from the firearm.
- Clean the wrench and heads to remove any debris or residue.
- Store the wrench in a safe place, out of reach of children.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling options where available.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of the SAVAGE 110 Rifle Action Wrench, please contact your local retailer or manufacturer. Ensure you have the product details available for reference.

This safety instruction guide is designed to provide you with essential information to ensure the safe use of the SAVAGE 110 Rifle Action Wrench. Always prioritize safety and follow the guidelines provided. Thank you for your attention to these important safety measures.
