Safety Instruction Guide for the Beretta 92 Series Flat Storage Toolbox

Introduction

Thank you for choosing the Brownells Beretta 92 Series Flat Storage Toolbox. This product is designed to safely and effectively store your Beretta 92 Series Tool Kit components. To ensure your safety and the longevity of the product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the toolbox is used only for its intended purpose: storing tools and components related to the Beretta 92 Series.
- Keep the toolbox out of reach of children and vulnerable individuals to prevent accidents.
- Regularly inspect the toolbox for any signs of damage or wear. Do not use if damaged.
- Follow the manufacturer's instructions for proper usage and maintenance.
- Report any unsafe products or accidents related to this toolbox to the appropriate authorities.
- Stay informed about product recalls or safety notices through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- When opening or closing the toolbox, ensure that your fingers are clear of the hinges to avoid pinching.
- Avoid overloading the toolbox with tools or components beyond its intended capacity.
- Store the toolbox in a dry area to prevent moisture damage and rusting of tools.
- Do not use the toolbox as a step or platform; it is not designed to support weight.
- Use caution when handling tools stored in the toolbox to prevent injuries.

Instructions for Installation and Usage

1. Unpacking the Toolbox

- Carefully remove the toolbox from its packaging.
- Inspect the toolbox for any visible damage. If any damage is found, do not use and contact customer support.

2. Storing Tools and Components

- Open the toolbox by lifting the lid.
- Place tools and components inside the toolbox, ensuring they are organized and secure.
- Close the lid securely after storing tools to protect them from dust and damage.

3. Maintaining the Toolbox

- Regularly clean the toolbox with a damp cloth to remove dust and debris.
- Ensure that the toolbox is stored in a cool, dry place to maintain its condition.

4. Transporting the Toolbox

- When transporting the toolbox, ensure it is securely closed to prevent tools from falling out.
- Carry the toolbox using the handle, ensuring a firm grip to avoid dropping it.

Disposal Instructions

- When the toolbox reaches the end of its life, dispose of it in accordance with local waste disposal regulations.
- If the toolbox is made from recyclable materials, please recycle it appropriately.
