

REALLY HEAVY DUTY SQUARE 100% COTTON PATCHES - HEAVY DUTY COTTON ROUND PATCHES, 2"/.40-.50 CAL, 1000 PACK

Extra tough patch that is fleeced on one side, natural on the other to get into the cracks and crevices where dirt hides. The heavy woven twill side scrubs well, while the fleece side is super absorbent. Made from 10 oz. per yard, 104 thread count per square inch, flannel glove cotton for durability. Strips are 7/8' x 6' for custom cuts to fit specific cleaning needs and are ideal for loop-style tips. Packaged in bags of 100 or 1000 in a variety of calibers. For really heavy duty cleaning jobs, you need a Really Heavy Duty Patch. SPECS: Extra Heavy Duty Flannel Glove Cotton. 100 & 1000 Packs

REALLY HEAVY DUTY SQUARE 100% COTTON PATCHES

Safety Instructions

Introduction

Thank you for choosing the Really Heavy Duty Square 100% Cotton Patches. These patches are designed for effective cleaning and maintenance, especially in heavyduty applications. To ensure safe and effective use of the product, please read this safety instruction guide carefully.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the patches out of reach of children and vulnerable individuals.
- Always inspect the patches for any damage before use.
- Follow the manufacturer's instructions for use and disposal.
- Report any unsafe product incidents to the relevant authorities.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Risk of injury if used improperly.
 - Risk of allergic reactions for individuals sensitive to cotton.
- **Instructions to Avoid Hazards:**
 - Do not use the patches for purposes other than cleaning.
 - Avoid using the patches if you have known allergies to cotton or similar materials.
 - Do not expose the patches to extreme heat or open flames.
 - Ensure that the patches are not wet or damp when handling.
- **AgeSpecific Warnings:**
 - This product is not intended for use by children under the age of 12 without adult supervision.

Instructions for Installation and Usage

- **Preparation:**
 - Before use, ensure that the area to be cleaned is clear of any obstructions.
 - Select the appropriate patch size based on your cleaning needs.
- **Using the Patches:**
 - Take a patch from the package and inspect it for any defects.
 - For heavyduty cleaning, use the fleece side for absorbency and the twill side for scrubbing.
 - Cut the patches to the desired size if necessary, using scissors for a clean edge.
 - Dispose of used patches responsibly, following local waste disposal guidelines.
- **Storage:**
 - Store the patches in a cool, dry place away from direct sunlight.
 - Keep the patches in their original packaging until ready for use to avoid contamination.

Disposal Instructions

- Dispose of used patches in accordance with local waste management regulations.
- Do not throw patches into the recycling bin unless specified by local guidelines.
- If the patches are contaminated with hazardous materials, follow local hazardous waste disposal procedures.

Contact Information for Further Support

For any inquiries regarding safety or product information, please refer to the manufacturer's contact details provided on the packaging or the manufacturer's website.

By following these safety instructions, you can ensure a safe and effective experience with the Really Heavy Duty Square 100% Cotton Patches. Thank you for your attention to these important safety guidelines.
