Safety Instruction Guide for REALLY HEAVY DUTY SQUARE 100% COTTON PATCHES

Introduction

Thank you for choosing the REALLY HEAVY DUTY SQUARE 100% COTTON PATCHES. This guide aims to provide you with essential safety instructions and guidelines to ensure the safe use of this product. Please read this document carefully before using the patches.

General Safety Guidelines

- Ensure the product is used for its intended purpose as specified.
- Always inspect the patches for any signs of damage before use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe product conditions or accidents to the relevant authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Avoid using the patches on hot surfaces or with harsh chemicals that may damage the cotton material.
- Do not use the patches if they are frayed, torn, or otherwise damaged.
- Use protective gloves if you have sensitive skin or allergies to cotton.
- Ensure that the patches are stored in a cool, dry place to maintain their integrity.
- Follow any specific instructions provided by the manufacturer regarding the use of the patches.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary cleaning supplies and tools.
- Select the appropriate patch size based on your cleaning needs.

2. Using the Patches:

- For best results, use the fleece side against the surface to be cleaned.
- Apply gentle pressure while scrubbing to avoid damage to the surface.
- After use, dispose of the patches properly, as outlined in the disposal instructions.

3. Custom Cuts:

- If custom sizes are needed, use the strips (7/8' x 6') to cut the patches to your desired dimensions.
- Ensure that any cutting tools are used safely and stored securely after use.

Disposal Instructions

- Dispose of used patches in accordance with local waste disposal regulations.
- Do not incinerate the patches as they may release harmful substances when burned.
- If applicable, recycle the patches according to local recycling guidelines.
