

SHOP CLOTHS - NON-DYED SHOP CLOTHS, 13"X13", 12/PACK

[Gun Cleaning & Chemicals](#) > [Patches & Mops](#) > [Shop Cloths](#)

Washable, Reusable, Absorbent-Great!!

Made in the U.S. and non-dyed; prewashed, with fully stitched edges. What makes them so much better than anything else we've found is the blend of cotton and acrylic fibers. This blend keeps the absorbency so necessary for efficient cleanup, yet lets them stand up to hard use and frequent washings better than "cotton only" cloths.

Attributes

- Name: [NON-DYED SHOP CLOTHS, 13"X13", 12/PACK](#)

Safety Instruction Guide for SHOP CLOTHS

NONDYED SHOP CLOTHS

Introduction

Thank you for choosing the SHOP CLOTHS NONDYED SHOP CLOTHS. These cloths are designed for efficient cleaning and durability. This guide provides essential safety instructions to ensure safe use and maintenance of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always inspect the cloths before use. Do not use if they are damaged or frayed.
- Ensure that the cloths are used in accordance with their intended purpose.
- Keep the cloths out of reach of young children and pets to avoid accidental ingestion or misuse.
- Do not use the cloths for any purpose other than cleaning or wiping surfaces.
- Avoid using the cloths with harsh chemicals or solvents that may damage the fibers.

Specific Safety Precautions for Use

- When using the cloths for cleaning, ensure that the surface is stable and secure to prevent accidents.
- Do not use the cloths on hot surfaces or near open flames.
- If the cloths become saturated with liquid, handle them with care to avoid slipping or spilling.
- Wash the cloths regularly to maintain hygiene and effectiveness. Follow the washing instructions provided below.

Instructions for Installation and Usage

- **Preparation for Use:**
 - Before first use, wash the cloths in warm water to remove any manufacturing residues.
 - Allow the cloths to dry completely before storage.
- **Using the Cloths:**
 - For general cleaning, dampen the cloth with water or a suitable cleaning solution.
 - Wipe the surface gently to avoid scratching or damaging it.
 - For tough stains, allow the cloth to sit on the stain for a few minutes before wiping.
- **Washing Instructions:**
 - Machine wash in warm water with similar colors.
 - Do not use bleach or fabric softeners as they may affect the cloth's absorbency.
 - Tumble dry on low heat or hang to dry.
- **Storage:**
 - Store the cloths in a clean, dry place.
 - Avoid exposure to direct sunlight for extended periods, as this may degrade the fibers.

Disposal Instructions

- Dispose of the cloths responsibly when they are worn out or no longer usable.
- Do not dispose of cloths in the recycling bin if they are contaminated with hazardous materials.

- Check local regulations for proper disposal methods of textile waste.

Contact Information for Further Support

For any safety inquiries or concerns, please refer to the product packaging or manufacturer's website for contact details. It is important to stay informed about any product recalls or safety updates.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of the SHOP CLOTHS NONDYED SHOP CLOTHS. Always prioritize safety and hygiene to maintain a clean and healthy environment. Thank you for your attention to these guidelines.
