

SPECIAL LINE"! DEWEY-THREAD CENTER FIRE RIFLE BORE BRUSH - BROWNELLS SPECIAL LINE DEWEY BRUSH, BRONZE, .338 CALIBER RIFLE, 3 PACK

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

Do away with the thread adapter; Special Line brushes thread right onto Dewey Coated rods. Eliminates the need to constantly change adapters; no more hunting for a misplaced adapter. Special Line brushes have the best phosphor bronze wire bristles for long life and thorough cleaning. A one-piece, looped and wound, brass shank and coupler prevents any chance of putting a scratch in that all-important barrel. SPECS: Bristles: Phosphor bronze. Shank: Brass, looped and wound. Overall Length: 3.35" (8.5cm) THREADS Calibers .22 to 6.5mm have 8-36 female threads. Calibers .270 to .50BMG have 12-28 female threads.

Safety Instruction Guide for SPECIAL LINE DEWEYTHREAD CENTER FIRE RIFLE BORE BRUSH

Introduction

Thank you for choosing the SPECIAL LINE DEWEYTHREAD CENTER FIRE RIFLE BORE BRUSH. This product is designed to provide effective cleaning for your rifle bore while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Always use the bore brush as intended and follow all instructions provided.
- Keep the bore brush out of reach of children and vulnerable individuals.
- Inspect the bore brush before each use for any signs of damage or wear.
- Do not use the bore brush on any caliber other than those specified in the product description.
- Ensure that the firearm is unloaded and pointed in a safe direction before using the bore brush.
- Use only with Dewey Coated rods as specified; other rods may not be compatible and could pose safety risks.

Specific Safety Precautions for Use

- Ensure that your work area is welllit and free of clutter to prevent accidents.
- Wear appropriate personal protective equipment (PPE), such as safety glasses, to protect your eyes from debris.
- Do not force the bore brush into the barrel; let it glide smoothly to avoid damaging the brush or the barrel.
- Avoid using excessive force when cleaning; this could lead to damage to both the brush and the firearm.
- If you experience resistance while using the brush, stop and inspect for any obstructions or damage.
- Store the bore brush in a safe, dry place when not in use to prevent corrosion or damage.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your firearm is completely unloaded and in a safe condition.
- Gather all necessary cleaning supplies, including the bore brush, Dewey Coated rod, and any additional cleaning solvents or oils.

2. Attaching the Bore Brush:

- Select the appropriate bore brush for your caliber (in this case, .338 caliber).
- Thread the bore brush directly onto the Dewey Coated rod, ensuring a secure fit.

3. Cleaning Procedure:

- Insert the bore brush into the barrel from the breech end (if applicable) or the muzzle end, depending on your firearm design.
- Gently push the brush through the barrel, allowing it to clean the bore without excessive force.
- Pull the brush back out of the barrel, and repeat the process as needed until the bore is clean.
- After cleaning, inspect the brush for wear and replace if necessary.

4. PostCleaning Care:

- Clean the bore brush with a suitable solvent to remove any residue.
- Dry the brush thoroughly before storing it to prevent corrosion.

Disposal Instructions

- Dispose of any damaged or worn bore brushes in accordance with local waste disposal regulations.
- If the product is no longer needed, consider recycling materials where applicable.

Contact Information for Further Support

For any safety inquiries or concerns regarding the SPECIAL LINE DEWEYTHREAD CENTER FIRE RIFLE BORE BRUSH, please refer to the contact information provided on the packaging or product documentation.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your SPECIAL LINE DEWEYTHREAD CENTER FIRE RIFLE BORE BRUSH. Always prioritize safety and proper handling of your cleaning equipment. Thank you for your attention to these important guidelines.
