

# AR-15 GAS BLOCK FRONT SIGHT - YANKEE HILL MACHINE CO., INC. YHM-9835A - AR15 GAS BLOCK FRONT SIGHT W/RAIL .750 STEEL BK

[Rifle Parts](#) > [Gas System Parts](#) > [Gas Blocks](#)

## Immediate Response Sighting For Tactical Emergencies

Multi-purpose front sight works as a fully functional gas block, plus delivers lifesaving backup when primary optics fail or become hindered by low light or poor weather conditions. Machined, steel body features a spring-loaded pushbutton that locks sight in the deployed position. When not in use, simply depress the button and fold down for an unobstructed view through your optics. Protective ears guard the sight post from blows incurred during duty. Split, barrel clamp design allows easy mounting to standard contour barrels without removal of flash hiders or muzzle brakes. Hex cap screws pull clamping halves tight to barrel for complete sight immobilization when properly tightened. Durable, mil-spec, phosphate finish resists rust and corrosion. YHM-9394 includes bayonet lug and pivoting sling swivel that accepts tactical slings up to 1¼" wide. Rubber coating prevents swivel from rattling and giving away your position while on patrol. YHM-9835A has Picatinny-style under-rail that accepts lights, lasers, and other forward-mounted accessories. No sling swivel.

## Attributes

- Name: [YANKEE HILL MACHINE CO., INC. YHM-9835A - AR15 GAS BLOCK FRONT SIGHT W/RAIL .750 STEEL BK](#)
- Manufacturer: [YANKEE HILL MACHINE CO., INC.](#)

# Safety Instruction Guide for AR15 Gas Block Front Sight YHM9835A

## Introduction

Thank you for choosing the AR15 Gas Block Front Sight YHM9835A by Yankee Hill Machine Co., Inc. This product is designed to enhance your shooting experience by combining a fully functional gas block with a reliable backup sight. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

## General Safety Guidelines

To ensure your safety and the safety of others, please follow these general safety guidelines:

- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the product in a secure location, away from children and unauthorized users.
- Regularly inspect the product for signs of wear or damage before use.
- Use appropriate personal protective equipment (PPE) such as eye and ear protection when using firearms.
- Be aware of your surroundings and ensure that you have a clear line of sight when shooting.

## Specific Safety Precautions for Use

When using the AR15 Gas Block Front Sight YHM9835A, please observe the following specific safety precautions:

- Ensure that the gas block front sight is securely mounted to the barrel before use.
- Do not attempt to modify or disassemble the product, as this may compromise its safety and functionality.
- Avoid using the product in extreme weather conditions that may affect visibility or performance.
- If you experience any malfunction or failure during use, cease operation immediately and consult a qualified gunsmith.
- Be cautious of the sight post and protective ears, as they may become hot during extended use.

## Instructions for Installation and Usage

Follow these steps for proper installation and usage of the AR15 Gas Block Front Sight YHM9835A:

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove any flash hiders or muzzle brakes if necessary.
- Position the gas block front sight on the barrel at the desired location.
- Use the split barrel clamp design to secure the sight to the barrel.
- Tighten the hex cap screws until the clamping halves are snug against the barrel. Do not overtighten.
- Verify that the sight is securely mounted and does not move.

### 2. Usage:

- To deploy the sight, press the springloaded pushbutton and lift the sight into the raised position.
- Ensure that the sight post is visible and aligned with your optics.
- When not in use, depress the button and fold the sight down for an unobstructed view.

- Regularly check the sight for proper function and alignment.

## **Disposal Instructions**

When disposing of the AR15 Gas Block Front Sight YHM9835A, please follow these guidelines:

- Dispose of the product in accordance with local regulations regarding firearm accessories.
- If the product is damaged or no longer functional, ensure it is rendered unusable before disposal.
- Consider recycling materials where possible, following local recycling guidelines.

## **Contact Information for Further Support**

For any questions or concerns regarding the AR15 Gas Block Front Sight YHM9835A, please consult the manufacturer or authorized dealer. Ensure that you have the product's model number and any relevant information ready for assistance.

## **Conclusion**

By adhering to these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your AR15 Gas Block Front Sight YHM9835A. Always prioritize safety and responsible firearm handling. Thank you for your attention to these important safety measures.
