

# AR-15 MOE GRIP - MAGPUL MOE GRIP POLYMER FOR AR-15/M4 FDE

[Rifle Parts](#) > [Grip Parts](#) > [Pistol Grips](#)

## Improves Comfort For Better Weapon Handling & Control

Magpul Original Equipment (MOE) grip is a durable, economical, easy-to-install replacement for factory pistol grip that gives the shooter a solid, secure grasp. Rigid, fully supported one-piece construction from the same reinforced, high-impact polymer as the MIAD grip, with crackle texture on the sides and deep horizontal grooves on frontstrap and backstrap. Curved beavertail similar to the MIAD B2 insert fills the grip-to-receiver junction to help you maintain a comfortable hold and protect the web of your hand during sustained firing. Compatible with Magpul MIAD Grip Cores and Enhanced Aluminum Triggerguard, available separately.

## Attributes

- Name: [MAGPUL MOE GRIP POLYMER FOR AR-15/M4 FDE](#)
- Manufacturer: [MAGPUL](#)
- Product no.: 100003516
- Mfr. No.: MAG415-FDE

# Safety Instruction Guide for AR15 MOE Grip by Magpul

## Introduction

Thank you for choosing the AR15 MOE Grip by Magpul. This guide provides important safety instructions and guidelines to ensure the safe use and installation of your new grip. Please read this document carefully before use.

## General Safety Guidelines

- Ensure that the AR15 MOE Grip is compatible with your firearm model before installation.
- Always handle firearms with care and follow standard firearm safety practices.
- Keep the grip and all firearm accessories out of reach of children and unauthorized users.
- Regularly inspect the grip for wear or damage before use.
- If you notice any defects or issues with the grip, discontinue use immediately and contact the manufacturer.

## Specific Safety Precautions for Use

- Use the grip only as intended, specifically for AR15/M4 firearms.
- Do not modify the grip in any way, as this may compromise its safety and performance.
- Avoid exposing the grip to extreme temperatures or harsh chemicals, as these can weaken the polymer material.
- Ensure a secure fit between the grip and the firearm to prevent any movement during use.
- When firing, maintain a firm grip to ensure control and accuracy.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing grip from your AR15/M4 by unscrewing it from the receiver.
- Align the AR15 MOE Grip with the receiver and secure it using the provided screws.
- Tighten the screws until snug, but avoid overtightening which may damage the grip or firearm.

### 2. Usage

- Hold the firearm with both hands, ensuring that your dominant hand grips the MOE Grip securely.
- Use the beavertail feature to maintain a comfortable grip and protect your hand during sustained firing.
- Regularly practice safe handling and shooting techniques to become familiar with the grip's feel and performance.

## Disposal Instructions

- Dispose of the AR15 MOE Grip responsibly and in accordance with local regulations.
- If the grip is damaged or no longer usable, consider recycling the polymer material if facilities are available.
- Do not throw the grip in regular trash if it can be recycled.

## **Contact Information for Further Support**

For any inquiries regarding safety or performance of the AR15 MOE Grip, please consult the manufacturer's website or contact their customer support.

By following these guidelines, you can help ensure your safety and the safe operation of your firearm. Thank you for your attention to these important safety measures.
