

1911 MAGWELL & MAINSPRING HOUSING KITS - STAN CHEN CUSTOMS WELD/SOLDER KIT, CM

[Handgun Parts](#) > [Frame Parts](#) > [Mainspring Parts](#) > [Mainspring Housings](#)

Easier, Faster Reloads & Improved Grip

Matched magazine well and mainspring housing aid in fast, positive mag changes without adding bulk to the pistol. Cutout on the front of the magwell speeds removal of stuck mags. Arched mainspring housing lets the web of the hand rest comfortably on the grip safety without pinching, and the smooth surface won't snag clothing or holster during carry. Machined from chrome-moly or stainless steel bar stock, and heat treated to Rc 28-32 for extra strength. BevelBlock™ mainspring housing has an angled rear bevel for a gap-free fit with the magwell. Kits available in easy-to-install. Weld/Solder model. Installation requires machining the pistol frame and minor modification to standard grip panels. MaxBevel mainspring housing provides a longer magwell opening for easy reloading without adding bulk. Extra metal at the rear bevel allows shaping to a seamless fit in the factory magwell. Helps the shooter hit the "sweet spot" at the rear of the magwell during combat reloads.

Safety Instruction Guide for 1911 MAGWELL & MAINSPRING HOUSING KITS

Introduction

Thank you for choosing the 1911 MAGWELL & MAINSPRING HOUSING KITS from Stan Chen Customs. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm before using this product.
- Always treat your firearm as if it is loaded, even if you believe it is not.
- Keep firearms out of reach of children and unauthorized users.
- Wear protective eyewear and gloves when handling tools and during installation.
- Always work in a wellventilated area when using tools or performing modifications.
- Be aware of your surroundings and ensure that you have a safe backdrop when handling firearms.
- Regularly inspect your firearm and accessories for any signs of wear or damage.

Specific Safety Precautions for Use

- Only use the 1911 MAGWELL & MAINSPRING HOUSING KITS with compatible singlestack 1911 Government and Commander pistols.
- Ensure that the firearm is unloaded before beginning installation.
- Follow all instructions carefully to avoid improper installation that could lead to malfunction.
- Consult a qualified gunsmith if you are unsure about any aspect of the installation process.
- Avoid using the product in adverse weather conditions or extreme temperatures that could affect performance.
- Be cautious of sharp edges during handling and installation to prevent injury.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and materials for installation, including:
 - Appropriate wrenches and screwdrivers
 - Protective eyewear and gloves
 - Cleaning supplies for the firearm

2. Installation Steps

- Ensure the firearm is unloaded.
- Remove the existing mainspring housing from the pistol frame.
- Follow the included instructions to machine the pistol frame as needed for a proper fit.
- Install the new mainspring housing and magwell according to the provided guidelines.
- Ensure that the bevel is aligned correctly to achieve a gapfree fit.
- Secure all components and check for proper function before use.

3. PostInstallation Checks

- Verify that the firearm operates correctly after installation.
- Test the magazine release and ensure that the magwell allows for smooth magazine changes.
- Perform a function check to ensure that all safety features are operational.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the product becomes damaged or unusable, follow local guidelines for the disposal of metal components.
- Do not dispose of the product in regular household waste; consult your local waste management for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the 1911 MAGWELL & MAINSPRING HOUSING KITS, please reach out to the designated EU contact point or visit the Safety Gate platform for updates on product recalls and safety notices.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your 1911 MAGWELL & MAINSPRING HOUSING KITS. Always prioritize safety and seek professional assistance when needed.
