MICROSTREAM POCKET LIGHT Safety Instructions

Introduction

Thank you for choosing the MICROSTREAM POCKET LIGHT. This guide provides important safety instructions and information to ensure the safe and effective use of your flashlight. Please read this document carefully before use.

General Safety Guidelines

- Ensure that the flashlight is used only for its intended purpose.
- Keep out of reach of children and vulnerable individuals.
- Inspect the flashlight regularly for any signs of damage or wear.
- Do not use the flashlight if it is damaged or malfunctioning.
- Avoid exposing the flashlight to extreme temperatures, moisture, or hazardous environments.
- Do not attempt to disassemble or modify the flashlight.

Specific Safety Precautions for Use

- **Battery Safety:**
 - Use only the recommended lithiumion battery for charging.
 - Do not expose the battery to fire or high temperatures.
 - Charge the flashlight using the included USB cord only.
- **Charging Instructions:**
 - Charge the flashlight in a wellventilated area.
 - Do not leave the flashlight unattended while charging.
 - Disconnect the charger once the flashlight is fully charged.
- **Water Resistance:**
 - The flashlight is rated IPX4 waterresistant; avoid submerging it in water.
- **Impact Resistance:**
 - The flashlight has been tested for 1m impact resistance; handle with care to avoid drops from greater heights.

Instructions for Installation and Usage

1. Charging the Flashlight:

- Connect the USB cord to the charge port located under the metal sleeve.
- Plug the other end of the USB cord into a power source.
- The charge indicator will show red while charging and green when fully charged.

2. Using the Flashlight:

- To turn on the flashlight, press the pushbutton tail switch.
- For high mode (250 lumens), double tap the tail switch.
- For low mode (50 lumens), double tap the tail switch again.
- To turn off, press the tail switch once.

3. Attaching the Pocket Clip:

- The removable pocket clip can be attached to the flashlight for easy carrying.
- It can also be clipped onto the brim of a hat for handsfree use.

4. Storing the Flashlight:

- Store the flashlight in a cool, dry place when not in use.
- Ensure that the flashlight is turned off to conserve battery life.

Disposal Instructions

- Dispose of the flashlight and its components in accordance with local regulations.
- Do not dispose of the flashlight in regular household waste.
- Recycle the lithiumion battery at designated recycling centers.

Contact Information for Further Support

For any safety inquiries or concerns regarding the MICROSTREAM POCKET LIGHT, please refer to the manufacturer's contact information provided with your product.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of your MICROSTREAM POCKET LIGHT. For further information or updates, please stay informed about product recalls and safety notices through the EU's Safety Gate platform. Thank you for prioritizing safety.
