## Dependable & Nearly Indestructible; Store Fully Loaded Without Loss Of Reliability

Exceptionally rugged, combat- and competition-ready magazine functions flawlessly, even when left fully loaded for extended periods. Corrosion-proof, self-lubricating one-piece body of fiber-reinforced, molded polymer has no spot welds or joints to impair the follower, and the constant internal curve ensures smooth, unobstructed movement of the round stack. Anti-tilt follower stabilizes the stack to help prevent nose-diving and bolt-over-head failures. Heat-treated, stainless steel spring is stress-relieved for optimal performance. Withstands the heat from prolonged full-auto fire and is not harmed by most bore cleaners and solvents. Exterior ribbing provides added gripping surface; magazine catch notch, rather than a traditional hole, keeps dirt and debris out. Easy-to-grasp ledge on floorplate aids in extracting magazine from pouches; floorplate removes easily for cleaning. All models available in Black. DO NOT COME WITH DUST COVERS.

# Safety Instruction Guide for AR15 30RD PMAG GEN M2 MOE MAGAZINE

## Introduction

Thank you for choosing the AR15 30RD PMAG GEN M2 MOE MAGAZINE. This guide provides essential safety instructions and usage information to ensure a secure and responsible experience with your magazine. Please read this guide carefully before use.

## General Safety Guidelines

- Always treat every magazine as if it is loaded.
- Keep the magazine out of reach of children and unauthorized users.
- Store the magazine in a cool, dry place away from direct sunlight.
- Regularly inspect the magazine for any signs of damage or wear before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that you are using the magazine with compatible firearms only (e.g., AR15).
- Do not exceed the magazine's rated capacity of 30 rounds.
- Avoid exposing the magazine to extreme heat or corrosive substances.
- Do not attempt to disassemble the magazine beyond the floorplate removal for cleaning.
- Always follow the manufacturer's instructions for loading and unloading the magazine.
- Use only recommended ammunition types: 223 Remington and 5.56 mm NATO.
- Be aware of your surroundings when using the magazine to prevent accidents.

## Instructions for Installation and Usage

### 1. Loading the Magazine:

- Hold the magazine with the feed lips facing upwards.
- Insert rounds into the magazine one by one, ensuring they are aligned properly.
- Push the rounds down until they are securely seated.

### 2. Inserting the Magazine into the Firearm:

- Ensure the firearm is pointed in a safe direction.
- Align the magazine with the magazine well of the firearm.
- Firmly push the magazine into the well until it clicks into place.

### 3. Removing the Magazine:

- Press the magazine release button on the firearm.
- Pull the magazine downwards and out of the magazine well.

### 4. Cleaning the Magazine:

- Remove the floorplate by pressing down on the ledge and sliding it off.
- Clean the interior of the magazine with a soft cloth.
- Allow the magazine to dry completely before reassembling.

### 5. Disposing of the Magazine:

- If the magazine is damaged beyond repair, dispose of it in accordance with local regulations.
- Do not throw the magazine in regular household waste if it is still functional.

## **Contact Information for Further Support**

For any safety inquiries or further assistance, please refer to the manufacturer's website or contact the designated EUbased support team.

Thank you for your attention to these safety guidelines. Your safety and the safety of others are our top priority. Enjoy your experience with the AR15 30RD PMAG GEN M2 MOE MAGAZINE responsibly.
