

# 9" HAVOC 37MM FLARE LAUNCHER - SPIKES TACTICAL 9" HAVOC 37MM FLARE LAUNCHER W/SIDE LOADING BBL & KAOS STOCK

SPIKE'S TACTICAL 9" HAVOC 37MM FLARE LAUNCHER Breech-loading 37mm flare launcher clamps securely to the bottom rail of any 7" or longer Picatinny handguard. Lets you use 5 $\frac{3}{4}$ " U.S. Coast Guard approved flare, smoke, or gas rounds for field operations or training. A single push of the button quickly opens the launcher to remove a spent round and insert a fresh cartridge. STZ pushbutton cylindrical breech lock is far stronger than lever locks typically used on this type of launcher. 9" Launcher has pivoting tube that swings to the side for loading. Kaos Stock Systems allow you to take your existing rail mounted Havoc Launcher and turn it into a stand-alone weapon system. It is compatible with most aftermarket AR-15 stocks, latch plates & pistol grips. Kaos Stock System features a ST M4 Stock as well as Mil-Spec A2 pistol grip, 1913 Picatinny Top Rail, Buffer Tube, Latch Plate, and Castle Nut. SPECS Construction: 6061 T6 aluminum Finish: Hardcoat anodized, and 1018 cold-rolled steel, oxide coated, black. Length: 9" Launcher: 9-4/16" (23cm) OAL, 5" (14cm) tube length. Weight: 2 lb., 5 oz. (1kg) Side-Swivel Breech Loading Design Push-button Breech Lock One-piece Tube & Grip Supports 5  $\frac{3}{4}$ " USCG Munitions Compatible with 7" and longer rail systems

# Safety Instruction Guide for 37MM Flare Launchers & Kaos Stock Systems

## Introduction

Thank you for choosing the 37MM Flare Launchers & Kaos Stock Systems from Spikes Tactical. This guide provides essential safety instructions to ensure the safe and effective use of your flare launcher and stock system. Please read this guide carefully before using the product.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the flare launcher by following all instructions provided in this guide. This product is designed for specific uses and must not be modified.
- **Enhanced Recalls:** Stay informed about any recall notices. If you receive a recall notice, follow the instructions provided for returning or remedying the product.
- **Online Shopping:** If purchased online, ensure that the platform complies with safety requirements similar to physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For safety inquiries, refer to the contact information provided by the retailer or manufacturer.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on any unsafe products.

## Specific Safety Precautions for Use

- **Age Restriction:** This product is intended for use by adults only. Do not allow individuals under the age of 18 to operate the flare launcher.
- **Protective Equipment:** Always wear appropriate safety gear, including eye protection and gloves, when using the flare launcher.
- **Environment:** Ensure that you are in a safe environment away from flammable materials and populated areas when using the flare launcher.
- **Training:** Only use the flare launcher if you have received proper training on its operation and safety measures.
- **Storage:** Store the flare launcher and ammunition in a secure, dry location away from unauthorized access.
- **Inspection:** Regularly inspect the flare launcher for any signs of wear or damage before use. Do not use if damaged.

## Instructions for Installation and Usage

### Installation

#### 1. Mounting the Launcher:

- Ensure your Picatinny handguard is clean and free of debris.
- Align the flare launcher with the bottom rail of your handguard.
- Use the provided mounting hardware to secure the launcher firmly in place.

#### 2. Attaching the Kaos Stock System:

- Follow the instructions provided with the Kaos Stock System to attach it to your existing railmounted Havoc Launcher.
- Ensure compatibility with your AR15 stocks, latch plates, and pistol grips.

### Usage

### 1. Loading Ammunition:

- Ensure the flare launcher is pointed in a safe direction.
- Press the pushbutton to open the cylindrical breech lock.
- Remove any spent rounds and insert a fresh cartridge.
- Close the breech lock securely before use.

### 2. Firing the Launcher:

- Confirm that the area is clear of any obstacles or people.
- Aim the launcher at a safe angle and press the trigger to fire.
- Always maintain control of the launcher during firing.

### 3. PostUse:

- After use, inspect the launcher for any damage.
- Store the launcher and any remaining ammunition safely.

## Disposal Instructions

- **Disposing of Spent Rounds:** Follow local regulations for the disposal of spent rounds. Do not throw them in regular trash.
- **Disposing of the Launcher:** If the flare launcher is no longer functional, dispose of it according to local electronic waste disposal regulations.
- **Recycling:** Check with local authorities for recycling options for aluminum and steel components.

## Contact Information for Further Support

For further assistance or inquiries regarding safety or product details, please refer to the contact information provided by your retailer or manufacturer. It is essential to reach out to them for any concerns or issues you may encounter.

By following these safety instructions, you can ensure a safe and effective experience with your 37MM Flare Launchers & Kaos Stock Systems. Always prioritize safety and adhere to all guidelines. Thank you for your attention to these important safety measures.
