

SHOTGUN WADS - REMINGTON 16 GAUGE SP16 1-1/8OZ 250/BAG

[Reloading](#) > [Wads](#)

Remington's one-piece shot cup/wad columns are made from highgrade virgin plastic to deliver consistent performance with minimal fouling. Remington offers a complete line of wads for both target and hunting loads .410 bore through 10-gauge magnum. Stitched-petal design helps keep wads from snagging on each other for easier reloading. Not for use with Steel Shot.

Safety Instruction Guide for SHOTGUN WADS REMINGTON 16 GAUGE SP16 11/8OZ 250/BAG

Introduction

Thank you for choosing Remington's Shotgun Wads. This guide provides important safety information and instructions to ensure the safe use of this product. Please read this guide carefully before using the wads.

General Safety Guidelines

- Ensure the product is used according to the manufacturer's instructions.
- Keep this product out of reach of children and vulnerable individuals.
- Always check for product recalls and safety updates on the EU Safety Gate platform.
- Report any unsafe products or accidents to the appropriate authorities.
- Be aware of the specific hazards associated with using shotgun wads, including potential injuries from improper handling or use.

Specific Safety Precautions for Use

- Only use these wads with compatible ammunition. Do not use with steel shot.
- Avoid using wads that show signs of damage or wear.
- Wear appropriate safety gear, including eye and ear protection, when handling and using firearms.
- Ensure that the area is clear of bystanders before firing.
- Follow all local laws and regulations regarding the use of firearms and ammunition.

Instructions for Installation and Usage

1. Preparation:

- Ensure you are in a safe and controlled environment for reloading.
- Gather all necessary equipment and materials, including the shotgun wads, shotgun shell components, and reloading tools.

2. Loading Wads:

- Take a wad from the bag and inspect it for any damage.
- Place the wad into the shotgun shell case, ensuring it fits snugly.
- Follow the specific reloading instructions for your shotgun shell and ensure all components are compatible.

3. Firing:

- Load the completed shell into your shotgun according to the manufacturer's instructions.
- Always check that the firearm is in good working condition before firing.
- Aim in a safe direction and ensure the area is clear of people and obstacles.

Disposal Instructions

- Dispose of any unused or damaged wads responsibly.
- Follow local regulations for the disposal of plastic materials.
- Do not litter; use designated waste disposal facilities.

Contact Information for Further Support

For any inquiries or further support regarding the safety and use of Remington Shotgun Wads, please refer to the contact information provided on the product packaging or visit the official Remington website.

By following these guidelines, you can help ensure your safety and the safety of others while using Remington Shotgun Wads. Thank you for prioritizing safety.
