# Safety Instruction Guide for LEE Precision Universal Shell Holder #14

## Introduction

Thank you for choosing the LEE Precision Universal Shell Holder #14. This product is designed to provide reliable performance for reloading applications. To ensure safe and effective use, please read this safety instruction guide carefully before using the shell holder.

## General Safety Guidelines

- Always use the shell holder in accordance with the manufacturer's instructions.
- Keep the shell holder out of reach of children and pets.
- Inspect the shell holder for any damage before use. Do not use if damaged.
- Ensure that your workspace is clean and free from obstructions while using the shell holder.
- Use the shell holder only with compatible reloading presses as specified by the manufacturer.
- Do not modify the shell holder in any way.

## Specific Safety Precautions for Use

- **Compatibility:** This shell holder is not compatible with the Lee Auto Prime. Ensure you are using it with the appropriate reloading press.
- **Handling:** Always handle the shell holder with care to avoid injury. Sharp edges may be present.
- **Reloading Safety:** Follow all standard reloading safety practices, including wearing safety glasses and using appropriate personal protective equipment.
- **Storage:** Store the shell holder in a dry and secure location when not in use to prevent damage and accidents.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your reloading press is turned off and unplugged before installation.
- Locate the shell holder mounting area on your reloading press.
- Insert the shell holder into the designated slot or holder, ensuring it is securely in place.

### 2. Usage:

- Place the cartridge (4440 Winchester or 3840 Winchester) into the shell holder.
- Follow the instructions for your reloading press to complete the reloading process.
- After reloading, carefully remove the cartridge from the shell holder.

### 3. Post Usage:

- Inspect the shell holder for any signs of wear or damage after each use.
- Clean the shell holder with a soft cloth to remove any residue.

## Disposal Instructions

- Dispose of the shell holder in accordance with local regulations. If the shell holder is damaged or no longer usable, consider recycling where possible.
- Do not dispose of the shell holder in regular household waste if it contains hazardous materials.

## Contact Information for Further Support

For any safety inquiries or additional support regarding the LEE Precision Universal Shell Holder #14, please refer to the manufacturer's website or contact their customer service department.

## Conclusion

By following these safety instructions, you can ensure a safe and effective experience with your LEE Precision Universal Shell Holder #14. Always prioritize safety and compliance with local regulations when using reloading equipment. Thank you for your attention to these important safety guidelines.
