

PLINKER TMJ HANDGUN BULLETS - SPEER 38 CALIBER (0.355") 125GR TMJ-FN 100/BOX

[Reloading](#) > [Bullets](#) > [Pistol Bullets](#)

Using Speer's Uni-Cor® technology, which encases each bullet's lead core in a seamless jacket, the double swaged bullets have high accuracy potential – and they're economical. No exposed lead or a separate cap on the base that can compromise accuracy.

Attributes

- Name: [SPEER 38 CALIBER \(0.355"\) 125GR TMJ-FN 100/BOX](#)

Safety Instruction Guide for SPEER PLINKER TMJ HANDGUN BULLETS

Introduction

Thank you for choosing SPEER PLINKER TMJ HANDGUN BULLETS. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. It is important to read and understand these instructions before handling or using the bullets.

General Safety Guidelines

- Always handle bullets with care, treating them as if they are live ammunition.
- Store bullets in a secure, dry location away from children and unauthorized users.
- Use appropriate personal protective equipment (PPE), such as safety glasses and ear protection, when handling or shooting.
- Ensure that you are familiar with local laws and regulations regarding the use and storage of ammunition.
- Regularly check for product recalls or safety updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Only use these bullets in firearms that are specifically designed for .38 caliber ammunition.
- Do not exceed the manufacturer's recommended load specifications.
- Inspect the bullets for any visible damage before use; do not use damaged bullets.
- Avoid exposure to moisture and extreme temperatures, as these can affect bullet performance.
- Always follow the firearm manufacturer's instructions for loading and firing.

Instructions for Installation and Usage

- Ensure your firearm is unloaded and pointed in a safe direction before loading bullets.
- Load the bullets according to the firearm manufacturer's guidelines.
- When shooting, maintain a safe distance from others and ensure the shooting area is clear of obstructions.
- After firing, ensure the firearm is cleared of any misfires or jams before reloading.
- Clean your firearm regularly to ensure optimal performance and safety.

Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not throw bullets in regular household waste.
- Contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product information, please refer to the manufacturer's contact details provided with the product packaging or visit the official website.

By following these safety instructions, you can ensure a safe and enjoyable experience with SPEER PLINKER TMJ HANDGUN BULLETS. Thank you for your attention to safety.
