

# SHOTGUN SGA STOCK SETS - Mossberg 590/590A1 Stock Set, FDE - Antal 1st

## New Versatility For The World s Most Popular Shotgun

The SGA is an adaptable stock for Remington 870 and Mossberg 500/590/590A1 12 gauge shotguns, designed with a wide range of customizable features and accessories to meet individual end-user needs. The MOE Forend is a simple, lightweight forend for 870 & 500/590/590A1 12 gauge shotguns with 7-5/8" action tube assemblies, designed to provide much-needed adaptability with the attachment of optional MOE accessories and mounts. NOTE: The Remington will NOT work on the Remington 870 Super Mag; and the Mossberg forend in the sets will NOT fit the Mossberg 500 with 6-1/2" action tube assembly or the Maverick or current production Mossberg 500 synthetic with pinned-in action tube assembly without replacing with the 7-5/8" action tube assembly (631-000-023).

# Safety Instruction Guide for SHOTGUN SGA STOCK SETS Mossberg 590/590A1 Stock Set, FDE

## Introduction

Thank you for purchasing the SHOTGUN SGA STOCK SETS for Mossberg 590/590A1. This guide provides important safety instructions and usage information to ensure safe and effective use of your product. Please read this guide carefully before installation and usage.

## General Safety Guidelines

- Always treat your shotgun as if it is loaded, even when you believe it is not.
- Keep the firearm pointed in a safe direction at all times.
- Store the shotgun and accessories in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the stock set for any signs of wear or damage before use.
- Ensure that the stock set is compatible with your shotgun model before installation.
- Follow all local and national laws regarding firearm ownership and usage.

## Specific Safety Precautions for Use

- Only use the SHOTGUN SGA STOCK SETS with compatible models: Remington 870 and Mossberg 500/590/590A1 shotguns with 75/8" action tube assemblies.
- Do not attempt to use the stock set with the Remington 870 Super Mag or the Mossberg 500 with a 61/2" action tube assembly.
- Be cautious when attaching or detaching accessories to avoid pinching fingers or causing injury.
- Ensure that all mounting hardware is securely fastened before use.
- If you notice any unusual sounds or movements while using the shotgun, cease use immediately and inspect the stock set.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the shotgun is unloaded and safe to handle.
- Gather all necessary tools and the provided mounting hardware.

### 2. Installation:

- Remove the existing stock from your shotgun by following the manufacturer's instructions.
- Align the SGA stock with the shotgun's action tube assembly.
- Secure the stock using the provided mounting hardware, ensuring all screws are tightened properly.
- Attach the MOE Forend by sliding it onto the action tube assembly, ensuring a snug fit.

### 3. Usage:

- Adjust the stock to your preferred length of pull for optimal comfort and control.
- Familiarize yourself with the features of the stock set and practice safe handling techniques at a shooting range.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local regulations.
- If the stock set becomes damaged beyond repair, dispose of it in a manner that prevents unauthorized use.
- Consider recycling components where possible, following local recycling guidelines.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the SHOTGUN SGA STOCK SETS, please refer to the manufacturer's website or customer support resources.

This safety instruction guide is designed to comply with the EU General Product Safety Regulation (GPSR). Always prioritize safety and responsible usage of your firearm and accessories.
