TLR2 HL Weaponlight Safety Instruction Guide

Introduction

Thank you for choosing the TLR2 HL Weaponlight. This guide provides essential safety instructions and usage information to ensure the safe operation of your product. Please read this guide carefully before use to familiarize yourself with its features and safety precautions.

General Safety Guidelines

- Ensure that the TLR2 HL Weaponlight is used in accordance with all local laws and regulations regarding firearm accessories.
- Keep the product out of reach of children and unauthorized users.
- Always handle firearms and accessories with care and respect.
- Regularly inspect the weaponlight for signs of damage or malfunction. Do not use if damaged.
- In case of any malfunction or failure, discontinue use immediately and consult a professional.

Specific Safety Precautions for Use

- Use the weaponlight only for its intended purpose: illuminating areas while handling firearms safely.
- Avoid shining the laser directly into anyone's eyes, as this can cause serious injury.
- Do not operate the weaponlight while it is mounted on a firearm unless you are trained and authorized to do so.
- Ensure that the weaponlight is securely attached to the firearm before use to prevent accidental detachment.
- Be aware of your surroundings when using the weaponlight to avoid accidents or unintended targets.
- Do not modify the weaponlight in any way, as this may compromise its safety and performance.

Instructions for Installation and Usage

Installation

1. **Prepare the Firearm:** Ensure the firearm is unloaded and pointed in a safe direction.
2. **Attach the Weaponlight:**
 - Locate the rail clamp system on the TLR2 HL.
 - Align the weaponlight with the Glockstyle rails or MILSTD1913 (Picatinny) rails on your firearm.
 - Securely attach the weaponlight by tightening the clamp without using tools. Make sure it is firmly in place.
3. **Check the Alignment:** Confirm that the weaponlight is properly aligned and does not obstruct any firearm controls.

Usage

1. **Powering On/Off:** Use the ambidextrous momentary/steady on/off switch to activate the light. Press once for momentary light and press again for steady on.
2. **Using the Laser:** To engage the red laser, ensure the weaponlight is powered on. Aim carefully and avoid pointing it at reflective surfaces.
3. **User Programmable Strobe:** The strobe function can be enabled or disabled as per user preference. Refer to the user manual for detailed instructions.
4. **Battery Maintenance:** Regularly check the battery level. Replace batteries as needed to ensure optimal performance.

Disposal Instructions

- Dispose of the TLR2 HL Weaponlight and its components in accordance with local regulations for electronic waste.
- Remove batteries before disposal to prevent environmental contamination.
- Do not incinerate the product or batteries.

Contact Information for Further Support

For any inquiries regarding safety, usage, or support, please refer to the manufacturer's contact information found on the product packaging or the official website.

By following these safety instructions, you can ensure the proper and safe use of the TLR2 HL Weaponlight. Always prioritize safety and responsibility when handling firearms and accessories.
