

# MAGNETIC BARREL REST - LOCKDOWN MAGNETIC BARREL REST

[Shooting Accessories](#) > [Gun Storage](#) > [Gun Racks](#)

Accessing a gun deep in the back of a vault can be challenging. Rather than juggling an armful of long guns, deploy the Lockdown Magnetic Barrel Rest. It conveniently secures to the outside of any vault and provides a perfect staging location. Overmolded contact points protect your gun's finish. Serves as an extra hand when moving guns in and out of vault. Holds 3 guns securely when leaned against vault. Overmolded rubber contact points to protect firearm finish. Secures to vault with strong magnets. Rubber-backed magnets protect vault's finish.

## Attributes

- Name: [LOCKDOWN MAGNETIC BARREL REST](#)
- Manufacturer: [LOCKDOWN](#)
- Product no.: 100012241
- Mfr. No.: 222177
- Capacity: 3

# Safety Instruction Guide for Lockdown Magnetic Barrel Rest

## Introduction

Thank you for choosing the Lockdown Magnetic Barrel Rest. This product is designed to provide a secure and convenient staging location for your firearms while accessing them from a vault. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always ensure that the firearm is unloaded before placing it on the Magnetic Barrel Rest.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the Magnetic Barrel Rest for any signs of wear or damage.
- Do not use the Magnetic Barrel Rest on surfaces that are not compatible with strong magnets.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the vault surface is clean and free of debris before securing the Magnetic Barrel Rest.
- Do not overload the Magnetic Barrel Rest beyond its capacity of three firearms.
- Always lean firearms securely against the vault when using the Magnetic Barrel Rest.
- Avoid placing the Magnetic Barrel Rest near electronic devices that may be affected by magnetic fields.
- Use caution when removing firearms from the Magnetic Barrel Rest to prevent accidental discharge.

## Instructions for Installation and Usage

### Installation

1. **Select a Suitable Location:** Choose a clean, flat surface on the outside of your vault where the Magnetic Barrel Rest can be securely attached.
2. **Clean the Surface:** Wipe the area with a soft cloth to remove any dust or debris.
3. **Position the Magnetic Barrel Rest:** Align the Magnetic Barrel Rest with the desired location on the vault.
4. **Secure the Rest:** Allow the strong magnets to attach firmly to the vault surface. Ensure that it is held securely before use.

### Usage

1. **Load Firearms:** Ensure that each firearm is unloaded before leaning it against the Magnetic Barrel Rest.
2. **Staging Firearms:** Lean up to three firearms against the Magnetic Barrel Rest, ensuring they are stable and secure.
3. **Accessing Firearms:** When accessing firearms, do so carefully to avoid any accidental movement or discharge.
4. **Removing Firearms:** Always check that the area is clear before removing firearms from the Magnetic Barrel Rest.

## Disposal Instructions

When the Lockdown Magnetic Barrel Rest has reached the end of its life cycle or is no longer usable, please dispose of it responsibly. Follow local regulations for the disposal of magnetic materials and ensure that it does not pose a risk to the environment.

## **Contact Information for Further Support**

For any inquiries related to safety or product support, please refer to the contact information provided with your purchase. Ensure you have your product details ready for efficient assistance.

By following these guidelines, you can ensure the safe use of the Lockdown Magnetic Barrel Rest, enhancing your firearm storage experience while maintaining compliance with safety regulations. Thank you for prioritizing safety.
