

# 45 CALIBER AMMO CAN - MTM CASE-GARD AMMO CAN 45 CALIBER POLYMER GREEN

[Shooting Accessories](#) > [Ammunition Storage](#) > [Ammo Cans](#)

MTM ammo cans are a great way to store bulk or boxed ammo. The all plastic design is lighter in weight than the heavy sharp edged US Military Surplus Ammo Can. Transferring ammo to and from the range, just became a little easier! Ideal for ammo storage. Molded out of rugged polypropylene plastic, these comfortably handled ammo cans will hold up to some pretty harsh treatment. Utilizing MTM's tongue and groove O-Ring seal system for a water-resistant seal. A heavy-duty dual latching system makes for a better seal and less likely to open accidentally. Padlock tabs along with molded-in stacking ridges, make these solid containers the perfect solution to so many storage needs. Made in the USA. Designed to hold a 500 round case of 45 ACP or 4 boxes of 3" 12 gauge shot shells and shooting glasses Heavy-duty dual latching system makes for a better seal and less likely to open accidentally Water-resistant O-ring seal for dry storage: Non-submersible Strong comfortable handle and padlock tabbed for security. 20-pound carry capacity Light weight, rounded corners and will not rust Designed for stacking and made of rugged polypropylene plastic.

# Safety Instruction Guide for 45 Caliber Ammo Can MTM CaseGard

## Introduction

Thank you for choosing the MTM CaseGard 45 Caliber Ammo Can. This product is designed for safe and convenient storage of ammunition. Please read this safety instruction guide carefully to ensure proper use and compliance with safety regulations.

## General Safety Guidelines

- Always store ammunition in a cool, dry place away from direct sunlight.
- Keep the ammo can out of reach of children and unauthorized users.
- Inspect the ammo can regularly for any signs of damage or wear.
- Do not overload the ammo can beyond its specified capacity of 20 pounds.
- Ensure that the ammo can is securely closed and latched when not in use.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Handling:** Use the comfortable handle to carry the ammo can. Ensure your grip is secure to avoid dropping it.
- **Latching System:** Always use the dual latching system to keep the can securely closed. This helps prevent accidental opening.
- **Water Resistance:** The O-ring seal provides water resistance, but do not submerge the ammo can in water.
- **Stacking:** When stacking multiple ammo cans, ensure they are stable and will not topple over.
- **Temperature:** Avoid exposing the ammo can to extreme temperatures, which may affect its integrity.

## Instructions for Installation and Usage

### 1. Initial Setup:

- Remove the ammo can from its packaging.
- Inspect the can for any visible damage. If damaged, do not use it and contact customer support.

### 2. Loading Ammunition:

- Open the ammo can by releasing the dual latches.
- Place ammunition inside the can, ensuring it is organized and does not exceed the 20-pound limit.
- Close the lid securely and latch both latches.

### 3. Transporting the Ammo Can:

- Use the handle to carry the ammo can. Ensure it is balanced and secure.
- Avoid carrying the can while running or in unstable conditions to prevent accidents.

### 4. Storage:

- Store the ammo can in a designated area that is dry and away from children.
- Consider using a padlock for added security if necessary.

## **Disposal Instructions**

- Dispose of the ammo can in accordance with local regulations concerning plastic waste.
- If the can is damaged and cannot be used, please recycle it where facilities exist.
- Do not burn the ammo can as it may release harmful substances.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please refer to the contact information provided with your purchase or check the manufacturer's website.

Thank you for following these safety guidelines. Your safety and the safety of others is our priority. Enjoy using your MTM CaseGard 45 Caliber Ammo Can responsibly.
