

# ULTRALIGHT RINGS - 30MM MEDIUM 1.0" 6 SCREW ULTRALIGHT RINGS

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

Designed to fit Mil-Std. 1913 scope bases, Nightforce rings are precisely manufactured to match the machined recess of a Nightforce Mil-Std. 1913 base, providing perfect alignment and accuracy. Nightforce rings are designed and produced in-house to exacting specifications entirely out of steel or from 7075-T6 aluminum with beta series titanium crossbolts and jaws. All Nightforce rings are 100% micro-radiused and honed in pairs for perfect fit of 30mm scope tubes to prevent the possibility of the rings damaging your scope.

## Attributes

- Name: [30MM MEDIUM 1.0" 6 SCREW ULTRALIGHT RINGS](#)
- Manufacturer: [NIGHTFORCE](#)
- Product no.: 100012590
- Mfr. No.: A265
- Finish: Black
- Height: Medium
- Scope Tube Diameter: 30mm
- Size: Medium
- Style: Picatinny Rings
- Delivery weight: 0.159kg
- Shipping height: 30mm
- Shipping width: 128mm
- Shipping length: 122mm
- UPC: 847362006413

## ULTRALIGHT RINGS Safety Instruction Guide

### Introduction

Thank you for choosing the ULTRALIGHT RINGS 30MM MEDIUM. This guide provides important safety information and instructions to ensure the safe and effective use of the product. Please read this guide carefully before installation and usage.

### General Safety Guidelines

- Always ensure that the product is suitable for your specific scope and mounting requirements.
- Inspect the product for any visible damage or defects before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding the use of firearm accessories.
- In case of any accidents or unsafe product experiences, report them to the relevant authorities.

### Specific Safety Precautions for Use

- Ensure that the rings are properly aligned and tightened to prevent the scope from shifting during use.
- Avoid overtightening screws, as this can lead to damage to the scope or rings.
- Do not use the rings with incompatible scope sizes or mounting systems.
- Regularly check the tightness of the screws, especially after heavy use or during transportation.
- Store the rings in a dry and safe place when not in use to prevent corrosion or damage.

### Instructions for Installation and Usage

#### 1. Preparation:

- Gather all necessary tools, including a torque wrench and appropriate screwdrivers.
- Ensure that the mounting surface is clean and free of debris.

#### 2. Installation:

- Position the ULTRALIGHT RINGS onto the MilStd. 1913 scope base.
- Align the rings so that they are parallel to the rifle's bore line.
- Insert and handtighten the screws into the rings, ensuring they are not fully tightened at this stage.

#### 3. Tightening:

- Use a torque wrench to tighten the screws to the manufacturer's recommended torque specifications.
- Ensure that the rings are securely fastened, but avoid overtightening, which can damage the product.

#### 4. Scope Installation:

- Place the scope into the rings, ensuring proper alignment.
- Adjust the scope's position for eye relief and levelness.
- Tighten the ring screws evenly to secure the scope in place.

#### 5. Final Checks:

- After installation, doublecheck all screws for tightness.
- Conduct a test to ensure the scope is secure and functioning properly before use.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- If applicable, recycle materials where possible, such as aluminum.

## **Contact Information for Further Support**

For inquiries regarding safety or product support, please refer to the manufacturer's contact information provided with your purchase.

By following these guidelines, you can ensure the safe and effective use of the ULTRALIGHT RINGS 30MM MEDIUM. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.
