STREAMLIGHT ENDURO HEADLAMP Safety Instructions

Introduction

Thank you for choosing the STREAMLIGHT ENDURO HEADLAMP. This guide provides essential safety instructions to ensure the safe use and maintenance of your headlamp. Please read this guide carefully before using the product to maximize its performance and ensure your safety.

General Safety Guidelines

- Always use the headlamp as instructed in this manual.
- Keep the headlamp out of reach of children and vulnerable individuals.
- Inspect the headlamp before each use for any signs of damage or wear.
- Do not expose the headlamp to extreme temperatures, moisture, or corrosive environments.
- If the headlamp is damaged, do not attempt to repair it. Contact a qualified professional for assistance.
- Ensure that the battery is installed correctly, observing the polarity indicated in the battery compartment.
- Dispose of batteries and the headlamp according to local regulations to prevent environmental harm.

Specific Safety Precautions for Use

- **Battery Safety:**
 - Use only the specified 1.5V "AAA" batteries.
 - Do not mix old and new batteries or different brands.
 - Remove batteries if the headlamp will not be used for an extended period.
- **Light Output:**
 - Avoid looking directly into the LED light when it is on to prevent eye damage.
 - Use the headlamp in accordance with its intended purpose; do not use it for any other applications.
- **Water Resistance:**
 - The headlamp is waterproof to 1 meter for 1 hour. Do not exceed this limit to avoid damage.
- **Drop Resistance:**
 - The headlamp is designed to be impactresistant. However, avoid dropping it from significant heights to maintain its integrity.

Instructions for Installation and Usage

1. Battery Installation:

- Open the battery compartment by sliding the cover in the direction indicated.
- Insert two 1.5V "AAA" batteries, ensuring the positive (+) and negative (-) terminals align with the markings inside the compartment.
- Close the battery compartment securely.

2. Operating the Headlamp:

- To turn on the headlamp, press the power button located on the top of the housing.
- Cycle through the modes by pressing the power button repeatedly:
 - High Mode: 14.5 Lumens
 - Low Mode: 6 Lumens
- To turn off the headlamp, press and hold the power button until the light goes out.

3. Adjusting the Headband:

- Place the headlamp on your head and adjust the headband for a secure fit.
- Ensure the headlamp is positioned comfortably and does not obstruct your vision.

4. Maintenance:

- Regularly clean the headlamp with a soft, damp cloth.
- Avoid using harsh chemicals or abrasive materials that may damage the housing.

Disposal Instructions

- Dispose of the headlamp and its batteries responsibly.
- Follow local regulations for electronic waste and battery disposal.
- Do not throw the headlamp or batteries in regular household waste.

Contact Information for Further Support

For any safety inquiries or concerns regarding the STREAMLIGHT ENDURO HEADLAMP, please consult your retailer or the manufacturer's website for assistance.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with your STREAMLIGHT ENDURO HEADLAMP. Always prioritize safety and enjoy the use of your headlamp responsibly.
