### Helps You Load Up Side-Button .22 Pistol Mags Fast - Locking & Non-Locking Models

The X10-LULA™ and V10-LULA™ are loaders for narrow-body, single-stack .22 LR magazines with a projecting side-button. The V10-LULA™ spring-loaded loader locks the mag's button anywhere you want along the mag; then just drop rounds in. Once locked on the magazine, there is no need to hold the loader. The X10-LULA™ is a non-locking loader. Just slide it along the mag to compress the side-button as you drop rounds in. Easy loading without any thumb pain! X10/V10 fit the following mags: Ruger Mark I/II/III & 22/45, S&W 22A/22S, Browning Buck Mark & Challenger, Beretta U22 NEOS, Colt Woodsman & Cadet, and High Standard .22s. X12-LULA/T12-LULA fit wider-body single-stack .22 LR mags with a projecting side-button. X12 is the locking loader; T12 is non-locking. They fit Walther P22/G22, Ruger SR-22, Colt 1911 .22\*, S&W M&P .22\*, Walther PPK/S .22 (only the T12-LULA™). \*Can also use the BabyUpLULA™

# X10LULA & V10LULA Pistol Magazine Loader Safety Instructions

## Introduction

Thank you for choosing the X10LULA™ and V10LULA™ Pistol Magazine Loaders by MAGLULA LTD. These products are designed to make loading narrowbody, singlestack .22 LR magazines easier and more efficient. This safety instruction guide provides essential information to ensure safe and effective use of these loaders while complying with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always read and understand the safety instructions before using the product.
- Ensure the loader is compatible with your magazine type before use.
- Keep the loader out of reach of children and vulnerable individuals.
- Use the loader only for its intended purpose as specified in the product description.
- Regularly inspect the loader for any signs of damage or wear before each use.
- If you encounter any issues or have concerns about the product, cease use immediately and seek assistance.

## Specific Safety Precautions for Use

- Do not use the loader if it is damaged or malfunctioning.
- Always handle ammunition safely and in accordance with local laws and regulations.
- Ensure that the magazine is empty before attaching the loader.
- Avoid placing fingers near the magazine opening while loading to prevent injury.
- Do not force the loader onto the magazine; ensure a proper fit to avoid damage.
- When using the V10LULA™, make sure the springloaded mechanism is securely locked before loading rounds.
- For the X10LULA™, ensure you are sliding it correctly along the magazine to avoid injury to your thumb.

## Instructions for Installation and Usage

1. **Compatibility Check:** Confirm that your magazine is a narrowbody, singlestack .22 LR type compatible with the X10LULA™ or V10LULA™ loaders.
2. **Preparing the Magazine:**
  - Ensure the magazine is empty and clean.
  - For the V10LULA™, press the sidebutton to unlock the loader and attach it securely to the magazine.
  - For the X10LULA™, align the loader with the magazine and slide it along to compress the sidebutton.
3. **Loading Ammunition:**
  - For V10LULA™: Once the loader is locked onto the magazine, drop rounds into the magazine. There is no need to hold the loader.
  - For X10LULA™: Slide the loader along the magazine while dropping rounds in. Ensure your thumb is not in the way to prevent pain or injury.
4. **PostLoading:** After loading, remove the loader from the magazine carefully. Inspect the loaded magazine to ensure all rounds are seated properly.
5. **Storage:** Store the loader in a safe, dry place away from children and unauthorized users.

## **Disposal Instructions**

- Dispose of the loader according to local regulations for plastic and metal waste.
- Do not dispose of the loader in fire or extreme heat as it may cause harmful emissions.
- If the loader is damaged, contact local waste management for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety or product issues, please refer to the contact details provided with your product packaging or visit the official MAGLULA LTD. website for assistance.

## **Conclusion**

Following these safety instructions will help ensure a positive experience with your X10LULA™ and V10LULA™ Pistol Magazine Loaders. Always prioritize safety and compliance with local laws when handling ammunition and firearms. Thank you for your attention to these guidelines, and enjoy using your magazine loaders responsibly.
