

AR-15 MOE GRIP - MAGPUL MOE GRIP POLYMER FOR AR-15/M4 STEALTH GRAY

[Rifle Parts](#) > [Grip Parts](#) > [Pistol Grips](#)

Improves Comfort For Better Weapon Handling & Control

Magpul Original Equipment (MOE) grip is a durable, economical, easy-to-install replacement for factory pistol grip that gives the shooter a solid, secure grasp. Rigid, fully supported one-piece construction from the same reinforced, high-impact polymer as the MIAD grip, with crackle texture on the sides and deep horizontal grooves on frontstrap and backstrap. Curved beavertail similar to the MIAD B2 insert fills the grip-to-receiver junction to help you maintain a comfortable hold and protect the web of your hand during sustained firing. Compatible with Magpul MIAD Grip Cores and Enhanced Aluminum Triggerguard, available separately.

Attributes

- Name: [MAGPUL MOE GRIP POLYMER FOR AR-15/M4 STEALTH GRAY](#)

Safety Instruction Guide for AR15 MOE Grip

Introduction

Thank you for choosing the AR15 MOE Grip by Magpul. This guide provides essential safety instructions to ensure the safe use, installation, and disposal of your new grip. Please read this guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- **Product Safety:** This product is designed for safe use as a nonfood item. Ensure that you follow all instructions to minimize risks.
- **Enhanced Recalls:** Stay informed about recalls. If this product is found to be unsafe, standardized recall notices will be issued, and remedies will be provided at no cost.
- **Online Shopping:** If purchased online, know that you have the same safety protections as when buying in a physical store.
- **Special Consumer Focus:** Extra care should be taken if the product is used by vulnerable groups, including children.
- **EU Contact Point:** For any safety inquiries, please refer to the EU contact point available for this product.
- **Rapid Alerts:** Keep an eye on the EU's Safety Gate platform for updates on any unsafe products.

Specific Safety Precautions for Use

- **Compatibility:** Ensure the grip is compatible with your AR15 or M4 model to avoid improper installation.
- **Installation:** Follow the installation instructions carefully to prevent any malfunctions during use.
- **Secure Grip:** Always ensure that the grip is securely attached before handling your firearm.
- **Check for Damage:** Inspect the grip for any cracks or defects before each use. Do not use if damaged.
- **Proper Handling:** Always treat your firearm as if it is loaded. Safety should be your priority at all times.
- **Avoid Modifications:** Do not modify the grip in any way, as this could compromise safety and functionality.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and in a safe condition.
- Remove the existing factory pistol grip by unscrewing it from the receiver.
- Align the AR15 MOE Grip with the grip screw hole on the receiver.
- Securely fasten the grip using the provided screw. Ensure it is tight but do not overtighten.
- Check the fit and feel of the grip to ensure it is properly installed.

2. Usage:

- Hold the grip firmly while aiming and shooting to maintain control.
- Use the grip during sustained firing to protect your hand and improve comfort.
- Regularly check for any looseness or wear and tighten as necessary.

Disposal Instructions

- **Environmental Considerations:** Dispose of the grip in accordance with local regulations. Do not dispose of it in regular household waste if it contains any hazardous materials.
- **Recycling:** If possible, recycle the grip according to your local recycling guidelines. Check with your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the AR15 MOE Grip, please refer to the appropriate contact point in your region for assistance.

Thank you for prioritizing safety while using your AR15 MOE Grip. Enjoy your shooting experience responsibly!
