Safety Instruction Guide for 3Piece Flat File Assortment

Introduction

Thank you for choosing the 3Piece Flat File Assortment from Ramrodz Inc. This product is designed to provide efficient filing solutions for metal, wood, and polymer materials. To ensure your safety and the effective use of this tool, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always use the flat files in accordance with the intended purpose.
- Inspect the files for any damage before use. Do not use damaged files.
- Keep the files out of reach of children and vulnerable individuals.
- Ensure that your work area is clean and welllit to avoid accidents.
- Wear appropriate personal protective equipment (PPE) such as safety goggles and gloves when using the files.
- Do not use the files on materials that they are not designed for, as this may cause injury or damage to the tool.
- Report any accidents or unsafe conditions to the relevant authorities.

Specific Safety Precautions for Use

- **Avoid Contact with Skin:** The diamond coating is abrasive. Avoid prolonged contact with skin to prevent irritation.
- **Use Proper Grip:** Always hold the files by the ergonomic handles to maintain control and avoid slipping.
- **File Direction:** Use a smooth, consistent motion when filing. Always file away from your body to prevent injury.
- **Storage:** Store the files in a safe location when not in use to prevent accidental injury. Ensure they are placed in a protective case if available.
- **Do Not Force:** If you encounter resistance while filing, do not force the file. Assess the situation and adjust your approach accordingly.

Instructions for Installation and Usage

1. Preparation:

- Ensure your work surface is stable and clear of obstructions.
- Gather all necessary materials and tools before beginning.

2. Using the Flat Files:

- Select the appropriate file size (small, medium, or large) based on the material and area to be filed.
- Hold the file by its handle and position it against the material at a slight angle.
- Apply light pressure and move the file in a backandforth motion, ensuring to maintain control.
- Periodically check the progress and adjust your filing technique as necessary.

3. PostUse Care:

- Clean the files after use to remove debris and prevent clogging of the diamond coating.
- Store the files in a dry place to prevent rust or damage.

Disposal Instructions

- Dispose of the flat files in accordance with local regulations.
- If the files are damaged or no longer usable, consider recycling if facilities are available.
- Do not dispose of the files in regular household waste if they are still sharp or hazardous.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the 3Piece Flat File Assortment, please refer to the contact information provided with your product packaging or on the manufacturer's website.

Reminder: Always stay informed about product recalls and safety updates. You can check for the latest information on the EU's Safety Gate platform.

Thank you for prioritizing safety while using your 3Piece Flat File Assortment. Enjoy your filing experience!
