

SHOTGUN SGA STOCK SETS - Mossberg 500/590 SGA Stock Set, Gray - Antal 1st

New Versatility For The World s Most Popular Shotgun

The SGA is an adaptable stock for Remington 870 and Mossberg 500/590/590A1 12 gauge shotguns, designed with a wide range of customizable features and accessories to meet individual end-user needs. The MOE Forend is a simple, lightweight forend for 870 & 500/590/590A1 12 gauge shotguns with 7-5/8" action tube assemblies, designed to provide much-needed adaptability with the attachment of optional MOE accessories and mounts. NOTE: The Remington will NOT work on the Remington 870 Super Mag; and the Mossberg forend in the sets will NOT fit the Mossberg 500 with 6-1/2" action tube assembly or the Maverick or current production Mossberg 500 synthetic with pinned-in action tube assembly without replacing with the 7-5/8" action tube assembly (631-000-023).

Safety Instruction Guide for SHOTGUN SGA STOCK SETS

Introduction

Thank you for choosing the SHOTGUN SGA STOCK SETS for your Mossberg 500/590 shotguns. This product is designed to enhance your shooting experience while ensuring safety and compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully to understand the safety precautions, installation instructions, and proper usage of your new stock set.

General Safety Guidelines

- Always treat your shotgun as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure the safety mechanism is engaged when not in use.
- Store your shotgun in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your shotgun and accessories for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and usage.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the stock set is compatible with your shotgun model (Mossberg 500/590).
- Do not use the stock set on shotguns with incompatible action tube assemblies.
- Always wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure a safe shooting environment.
- Avoid using the shotgun in wet or slippery conditions that may affect handling.
- Do not attempt to modify or alter the stock set in any way.

Instructions for Installation and Usage

1. Installation of the SGA Stock Set:

- Ensure your shotgun is unloaded and the safety is engaged.
- Remove the existing stock by loosening the screws or bolts securing it to the receiver.
- Align the SGA stock with the receiver and secure it using the provided mounting hardware.
- Tighten all screws or bolts firmly, but do not overtighten to avoid damage.
- Ensure the stock is securely attached before use.

2. Installation of the MOE Forend:

- Remove the existing forend by loosening the screws or bolts.
- Align the MOE forend with the action tube assembly.
- Secure the forend using the provided mounting hardware.
- Ensure it is firmly attached and does not wobble.

3. Usage:

- Familiarize yourself with the stock set and its features before use.
- Practice safe handling and shooting techniques.
- Regularly check the stock set for any signs of wear or damage during use.

Disposal Instructions

- Dispose of any broken or damaged parts in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Check with your local waste management authority for proper disposal methods for polymer materials.

Contact Information for Further Support

For any inquiries regarding the SHOTGUN SGA STOCK SETS, please refer to the manufacturer's contact information provided with your product packaging. Ensure you have your product details ready when seeking support.

By following these safety instructions, you can ensure a safe and enjoyable shooting experience with your SHOTGUN SGA STOCK SETS. Thank you for prioritizing safety and compliance with EU regulations.
