BROWNING ADJUSTABLE SIGHT SET L.P.A. SIGHTS BROWNING GP ADJUSTABLE SIGHT SET Safety Instruction Guide

Introduction

Thank you for choosing the BROWNING ADJUSTABLE SIGHT SET L.P.A. SIGHTS BROWNING GP ADJUSTABLE SIGHT SET. This guide provides essential safety instructions to ensure the safe use and installation of your new sight set. Please read this guide thoroughly before use to maximize safety and performance.

General Safety Guidelines

- Always handle firearms with care and respect, treating every firearm as if it is loaded.
- Ensure the sight set is compatible with your firearm model before installation.
- Inspect the sight set for any damage before installation. Do not use if damaged.
- Only use the sight set in accordance with the manufacturer's instructions.
- Keep the sight set and all tools out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls and safety updates via the EU Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or adjusting the sight set.
- Use the included Allen wrench and adjustment screwdriver for installation and adjustments only.
- Avoid adjusting the sight set while the firearm is loaded or pointed at anyone.
- Make adjustments in a safe environment, away from people and animals.
- Check the sight alignment and functionality after installation before using the firearm.
- Follow all local laws and regulations regarding the use of firearm accessories.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools: the included Allen wrench and adjustment screwdriver.

2. Installation:

- Locate the existing groove on your firearm where the sight set will be installed.
- Align the tapered dovetail of the sight set with the groove.
- Gently slide the sight set into the groove until it is securely locked in place.

3. Adjustment:

- Use the Allen wrench to tighten the sight set in place, ensuring it is secure but not overtightened.
- Adjust the windage and elevation using the hardened click screws. Turn clockwise to raise or move right, and counterclockwise to lower or move left.
- Make small adjustments and test the sight alignment after each change.

4. Final Check:

- After installation and adjustments, visually inspect the sight set to ensure it is properly secured.

- Test the sight in a controlled environment to confirm functionality and accuracy.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the sight set is no longer usable, dispose of it responsibly to minimize environmental impact. Check for local recycling programs or hazardous waste disposal options.

Contact Information for Further Support

For any questions or concerns regarding the BROWNING ADJUSTABLE SIGHT SET L.P.A. SIGHTS BROWNING GP ADJUSTABLE SIGHT SET, please refer to the manufacturer's website or contact your local dealer for assistance.

Thank you for prioritizing safety while using your new sight set. Enjoy improved accuracy and performance with your firearm!
