

AR-15 MBUS PRO OFFSET SIGHT SET - MAGPUL MBUS PRO OFFSET SIGHT SET FLIP UP ADJUSTABLE FOR AR-15 BLACK

[Rifle Parts](#) > [Sights](#) > [Sight Sets](#)

Building on the proven MBUS Pro platform, the MBUS Pro Offset Front and Rear Sight set is part of an effective aiming system to supplement magnified optics on M1913 Picatinny mounting surfaces. In the event of a damaged or nonfunctional primary optic, or a close target, rotating the rifle 45 degrees provides the shooter with a fully-featured iron sighting solution. Both the MBUS Pro Offset Front Sight and Rear Sight feature durable Melonited steel construction, a positive detent lockup when deployed, a low profile footprint to ensure compatibility and reduce interference with most rifle setups. The front has a tool-less adjustment of the front post for easy zeroing, and the rear has a tool-less windage adjustment for easy zeroing, and dual rear apertures.

Safety Instruction Guide for AR15 MBUS Pro Offset Sight Set

Introduction

Thank you for choosing the AR15 MBUS Pro Offset Sight Set by Magpul. This product is designed to enhance your aiming capabilities while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Ensure that the firearm is pointed in a safe direction at all times.
- Familiarize yourself with the operation of your AR15 and the MBUS Pro Offset Sight Set before use.
- Keep the sight set and all firearms out of reach of children and unauthorized users.
- Regularly inspect the sight set for any signs of wear or damage.
- Use the sight set only for its intended purpose.
- If you experience any issues with the sight set, cease use immediately and seek assistance.

Specific Safety Precautions for Use

- Ensure that the rifle is unloaded before installing or adjusting the sight set.
- Do not attempt to modify the sight set in any way, as this may compromise its safety and functionality.
- When adjusting the sights, always make adjustments in a safe environment, away from any potential hazards.
- Be aware of your surroundings and ensure that your shooting area is safe and free of obstructions or bystanders.
- Use appropriate eye and ear protection while using firearms equipped with the sight set.

Instructions for Installation and Usage

Installation Instructions

1. **Preparation:** Ensure the rifle is unloaded and pointed in a safe direction.
2. **Mounting the Front Sight:**
 - Locate the M1913 Picatinny rail on your AR15.
 - Align the front sight with the desired position on the rail.
 - Securely fasten the sight using the provided mounting hardware, ensuring it is tightly locked in place.
3. **Mounting the Rear Sight:**
 - Locate the M1913 Picatinny rail behind the front sight.
 - Align the rear sight with the desired position on the rail.
 - Securely fasten the sight using the provided mounting hardware.
4. **Adjustment:**
 - Adjust the front sight post using the toolless mechanism for zeroing.
 - Adjust the rear sight's windage using the toolless mechanism for zeroing.
 - Ensure both sights are locked in position after adjustments.

Usage Instructions

- To engage the sights, rotate the rifle 45 degrees as needed.
- Use the dual rear apertures for different target distances, ensuring you select the appropriate aperture for your shooting scenario.
- Always verify the zeroing of your sights before using the firearm for any serious shooting activities.

Disposal Instructions

- Dispose of the sight set in accordance with local regulations.
- Do not dispose of the sight set in regular household waste.
- Consider recycling the materials where applicable.

Contact Information for Further Support

For any inquiries or support regarding the AR15 MBUS Pro Offset Sight Set, please refer to the manufacturer's contact information provided in the product packaging or on their official website.

By following these guidelines and instructions, you can ensure a safe and effective experience with your AR15 MBUS Pro Offset Sight Set. Always prioritize safety and compliance with local laws and regulations when using firearms.
