SECUREFIT SHOOTING GLASSES SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the SECUREFIT Shooting Glasses from 3M Company. These glasses are designed to provide both comfort and protection while shooting. This safety instruction guide aims to inform you about safe usage practices, precautions, and how to care for your glasses.

General Safety Guidelines

- Ensure the glasses are suitable for your intended use.
- Always inspect the glasses before use for any damage or defects.
- Do not use the glasses if they are scratched, cracked, or otherwise damaged.
- Keep the glasses out of reach of children and vulnerable individuals.
- Follow the manufacturer's guidelines for care and maintenance.

Specific Safety Precautions for Use

- Always wear the glasses when engaging in shooting activities to protect your eyes from potential hazards.
- The glasses are designed for adult use; they are not intended for children.
- Avoid using the glasses in conditions that may cause excessive wear or damage, such as extreme temperatures or exposure to harsh chemicals.
- If you experience discomfort, remove the glasses immediately and consult a professional.

Instructions for Installation and Usage

1. Fitting the Glasses

- Hold the glasses by the frame and gently place them on your face.
- Adjust the temples to ensure a snug fit without discomfort.
- Ensure that the lenses are positioned correctly in front of your eyes.

2. Cleaning the Glasses

- Use a soft, lintfree cloth to clean the lenses.
- Avoid using abrasive materials or harsh chemicals that may damage the antiscratch coating.
- Store the glasses in a protective case when not in use to prevent scratches.

3. Storage

- Keep the glasses in a cool, dry place away from direct sunlight.
- Ensure the glasses are not exposed to extreme temperatures or humidity.

Disposal Instructions

- Dispose of the glasses in accordance with local regulations for plastic and electronic waste.
- Do not throw the glasses in regular household waste.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any inquiries regarding safety, usage, or maintenance of the SECUREFIT Shooting Glasses, please refer to the manufacturer's contact information provided with the product.

Conclusion

Your safety is our priority. By following these guidelines, you can ensure a safe and enjoyable experience with your SECUREFIT Shooting Glasses. Always prioritize your eye protection and stay informed about the safety measures associated with your product. Thank you for your attention to these important safety instructions.
