# SECUREFIT SHOOTING GLASSES Safety Instruction Guide

## Introduction

Thank you for choosing the SECUREFIT SHOOTING GLASSES from 3M COMPANY. These glasses are designed to provide a secure and comfortable fit while ensuring optimal eye protection during shooting activities. This safety instruction guide outlines essential safety guidelines, precautions, and instructions for the proper use and disposal of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the SECUREFIT SHOOTING GLASSES by following the instructions provided in this guide.
- **Enhanced Recalls:** In case of any safety concerns or recalls, follow the instructions provided by 3M COMPANY for safe returns or replacements.
- **Online Shopping:** When purchasing online, ensure that you are buying from authorized retailers to guarantee product safety and compliance.
- **Special Consumer Focus:** These glasses are not recommended for children under the age of 18 due to potential hazards.
- **EU Contact Point:** For any safety inquiries, please refer to the contact information provided by the retailer.
- **Rapid Alerts:** Stay informed about product recalls or safety updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always inspect the glasses before use for any signs of damage or defects.
- Do not use the glasses if they are cracked, scratched, or otherwise compromised.
- Ensure the glasses fit securely on your face. Adjust the temples as necessary for a snug fit.
- Avoid exposure to extreme temperatures or direct sunlight for prolonged periods, as it may affect the lens material.
- Do not use the glasses for activities other than shooting or in environments where eye protection is required.
- Always wear the glasses when engaging in shooting activities to protect against flying debris and harmful UV rays.

## Instructions for Installation and Usage

### • **Fitting the Glasses:**

1. Hold the glasses by the temples and gently place them on your face.
2. Adjust the temples to ensure a snug fit without causing discomfort.
3. Ensure that the lenses are positioned correctly in front of your eyes.

### • **Cleaning the Lenses:**

1. Use a soft, lintfree cloth to clean the lenses.
2. Avoid using abrasive materials or harsh chemicals that may scratch the lens surface.
3. For stubborn marks, use a mild soap solution and rinse with water.

### • **Storage:**

1. Store the glasses in a protective case when not in use to prevent scratches and damage.
2. Keep the glasses away from direct sunlight and extreme temperatures.

## **Disposal Instructions**

- Dispose of the SECUREFIT SHOOTING GLASSES in accordance with local regulations regarding plastic and electronic waste.
- Do not dispose of the glasses in regular household waste.
- Consider recycling options if available in your area.

## **Contact Information for Further Support**

For any questions or concerns regarding the SECUREFIT SHOOTING GLASSES, please refer to the retailer from whom you purchased the product for assistance.

Thank you for prioritizing your safety and the safety of others while using the SECUREFIT SHOOTING GLASSES. Enjoy your shooting experience responsibly!
