SECUREFIT SHOOTING GLASSES SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the SECUREFIT Shooting Glasses by 3M Company. These glasses are designed to provide a secure, comfortable fit while protecting your eyes from potential hazards during shooting activities. This guide outlines essential safety instructions to ensure the safe use of your glasses in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the glasses fit securely and comfortably before use.
- Inspect the glasses for any signs of damage or wear before each use.
- Always use the glasses in accordance with the intended purpose.
- Keep the glasses out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Do not use the glasses if the lens is scratched or damaged, as this may impair vision.
- Ensure that the glasses meet the ANSI Z87.12010 standard for impact resistance.
- Avoid exposing the glasses to extreme temperatures, as this may affect their integrity.
- Do not modify or alter the glasses in any way, as this may compromise their safety features.
- Use the glasses only for their intended purpose—protection during shooting activities.

Instructions for Installation and Usage

1. Fitting the Glasses:

- Hold the glasses by the frame.
- Place the glasses on your face, ensuring that they sit comfortably on your nose and ears.
- Adjust the temples to ensure a snug fit without discomfort.

2. Using the Glasses:

- Always wear the glasses when engaging in shooting activities.
- Ensure that the lenses are clean and free from obstructions before use.
- If the glasses fog up, remove them and clean the lenses with a soft, lintfree cloth.

3. Cleaning and Maintenance:

- Clean the lenses regularly using a mild soap solution and a soft cloth.
- Avoid using harsh chemicals or abrasive materials that can scratch the lenses.
- Store the glasses in a protective case when not in use to prevent damage.

Disposal Instructions

- Dispose of the glasses in accordance with local regulations for plastic waste.
- If the glasses are damaged beyond repair, ensure they are disposed of in a way that prevents accidental use.

Contact Information for Further Support

For any inquiries regarding the SECUREFIT Shooting Glasses, please refer to the EUbased contact for safety inquiries provided on the packaging or product documentation.

Thank you for your attention to these safety instructions. Your safety is our priority.
