## Safety Instruction Guide

### Introduction

Thank you for choosing the BOLTUP SYSTEM™ Barrel Nut Wrench by Daniel Defense. This proprietary spanner wrench is essential for the installation of the Daniel Defense AR15 Lite Rail and RIS II Rail System. To ensure safe and effective use, please read this safety instruction guide carefully.

### General Safety Guidelines

- Always ensure the wrench is in good condition before use.
- Use the wrench only for its intended purpose as specified in this guide.
- Keep the wrench away from children and vulnerable individuals.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the wrench.
- Ensure the work area is clean, dry, and welllit to avoid accidents.
- Be aware of your surroundings to prevent injury to yourself and others.

### Specific Safety Precautions for Use

- Check that the wrench is compatible with your specific rail system before use.
- Do not apply excessive force when using the wrench to avoid damage to the tool or the rail system.
- Ensure that the torque settings on your torque wrench are correctly adjusted to avoid overtightening.
- Never use the wrench for any purpose other than what it is designed for.
- Inspect the wrench for any signs of wear or damage before each use. If damaged, do not use and replace it immediately.
- Store the wrench in a safe place after use to prevent accidental injury.

### Instructions for Installation and Usage

#### 1. Preparation:

- Gather all necessary tools including the BOLTUP SYSTEM™ Barrel Nut Wrench and a 1/2 Drive Torque Wrench.
- Ensure that the firearm is unloaded and safe to work on.

#### 2. Installation Steps:

- Align the Barrel Nut Wrench with the barrel nut and ensure it fits securely.
- Attach the 1/2 Drive Torque Wrench to the Barrel Nut Wrench.
- Gradually tighten the barrel nut according to the manufacturer's specifications, ensuring to follow the correct torque settings.
- Check the fit and ensure that the barrel nut is securely fastened.

#### 3. PostInstallation:

- Once installation is complete, doublecheck for any loose components.
- Clean any debris or residue from the wrench and the work area.

### Disposal Instructions

- Dispose of the BOLTUP SYSTEM™ Barrel Nut Wrench in accordance with local regulations.
- If the wrench is no longer usable, consider recycling if applicable, or dispose of it as general waste.
