

# TLR-6 SUBCOMPACT TACTICAL LIGHT/LASER - UNIVERSAL KIT

## TLR-6 WEAPON LIGHT & LASER BLACK

[Shooting Accessories](#) > [Flashlights & Accessories](#) > [Weapon Lights](#)

Designed to securely attach to the trigger guard of 18+ subcompact handguns from the following brands: GLOCK®, Smith & Wesson® M&P Shield™, KAHR® ARMS, SIG SAUER® and Kimber®. Using this light/laser combination on subcompact handguns allows for easier identification of potential threats before taking action. Features C4® LED illuminator and a 640-660nm red laser. Provides 100 lumens and a Parabolic reflector that produces a balance of beam and peripheral illumination. Ambidextrous switching (push-button on both sides) to access three modes: Laser only, Laser/LED combo, LED illumination only. The TLR-6 Universal Kit includes one Light/Laser module and 6 housings for use with 18+ subcompact handgun models. All in a package that weighs around 1.2 ounces.

# TLR6 Subcompact Tactical Light/Laser Universal Kit Safety Instructions

## Introduction

Thank you for choosing the TLR6 Subcompact Tactical Light/Laser Universal Kit. This guide provides important safety instructions to ensure the safe and effective use of your product. Please read this guide carefully before using the TLR6 to familiarize yourself with its features and safety precautions.

## General Safety Guidelines

- Ensure the product is used only as intended, specifically designed for 18+ subcompact handguns from compatible brands.
- Always handle firearms and accessories with care and in accordance with local laws and regulations.
- Inspect the TLR6 regularly for any signs of damage or wear. Do not use if damaged.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe product experiences or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

## Specific Safety Precautions for Use

### • Battery Safety:

- Use only the specified CR1/3 N battery.
- Do not mix old and new batteries or different brands.
- Dispose of batteries properly according to local regulations.

### • Laser Safety:

- Avoid direct eye exposure to the laser beam.
- Do not point the laser at reflective surfaces or at people.
- Ensure the laser is turned off when not in use.

### • Light and Laser Operation:

- Use the light and laser features responsibly and only in appropriate situations.
- Do not use the TLR6 in conditions where the light or laser may cause distraction or confusion.

### • Installation and Removal:

- Follow the installation instructions closely to avoid improper attachment that could lead to malfunction.
- Do not force the light/laser onto the firearm.

## Instructions for Installation and Usage

### Installation

1. **Check Compatibility:** Ensure your handgun is one of the compatible models listed in the specifications.
2. **Prepare the Firearm:** Make sure the firearm is unloaded and pointed in a safe direction.
3. **Attach the TLR6:**
  - Align the TLR6 with the trigger guard of your handgun.
  - Slide the TLR6 onto the trigger guard until it clicks into place.
  - Ensure the attachment is secure by gently tugging on the unit.

## Usage

### 1. Operating the Light and Laser:

- Use the ambidextrous pushbutton switches located on both sides of the TLR6 to cycle through the modes:
  - Laser only
  - Laser/LED combo
  - LED illumination only
- To turn off, press the button corresponding to the active mode until it switches off.

### 2. Maintaining the Product:

- Clean the lens and housing with a soft, dry cloth to maintain optimal performance.
- Store the TLR6 in a cool, dry place when not in use.

## Disposal Instructions

- Dispose of the TLR6 and its components in accordance with local regulations for electronic waste.
- Remove the battery before disposal and recycle it according to local battery recycling guidelines.

## Contact Information for Further Support

For any safety inquiries or support regarding the TLR6, please refer to the official website or customer service channels of the manufacturer.

Thank you for prioritizing safety while using the TLR6 Subcompact Tactical Light/Laser Universal Kit. Your compliance with these guidelines ensures a safer experience for you and those around you.
