# TLR1 HL WEAPONLIGHT Safety Instruction Guide

## Introduction

Thank you for your purchase of the TLR1 HL WEAPONLIGHT. This guide provides essential safety information, proper usage instructions, and disposal guidelines to ensure your product is used safely and effectively. Please read this guide carefully before using the weapon light.

## General Safety Guidelines

- Ensure that the TLR1 HL WEAPONLIGHT is used only for its intended purpose.
- Always handle the weapon light with care and keep it out of reach of children and unauthorized users.
- Inspect the weapon light regularly for any signs of damage or malfunction.
- Do not modify the weapon light in any way, as this may compromise its safety and performance.
- Store the weapon light in a cool, dry place when not in use.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - The TLR1 HL WEAPONLIGHT emits a powerful 1000 lumens of light. Direct exposure to the beam may cause temporary blindness or discomfort.
  - The weapon light is designed to be mounted on firearms; ensure that the firearm is unloaded and pointed in a safe direction during installation.
- **Usage Precautions:**
  - Always ensure that the weapon light is securely attached to the firearm before use.
  - Do not shine the light into the eyes of people or animals.
  - Use the weapon light in accordance with local laws and regulations regarding the use of firearm accessories.
  - Ensure that the ambient environment is safe for the use of the weapon light, especially in lowlight situations.
- **AgeSpecific Warnings:**
  - This product is not intended for use by individuals under the age of 18 without adult supervision.
  - Keep the weapon light and its batteries away from children.

## Instructions for Installation and Usage

- **Installation:**
  1. Ensure the firearm is unloaded and pointed in a safe direction.
  2. Attach the TLR1 HL WEAPONLIGHT to the firearm's rail system using the rail grip clamp system.
  3. Securely fasten the clamp without using tools, ensuring the weapon light is firmly in place.
- **Usage:**
  1. To turn on the weapon light, press the ambidextrous momentary/steady on/off switch.
  2. For strobe functionality, refer to the user programmable settings to enable or disable as needed.
  3. Always verify that the weapon light is functioning correctly before use.

## **Disposal Instructions**

- Dispose of the TLR1 HL WEAPONLIGHT and its batteries in accordance with local regulations.
- Do not dispose of the weapon light or batteries in regular household waste.
- Contact your local waste management authority for information on proper disposal methods for electronic devices and batteries.

## **Contact Information for Further Support**

For any safety inquiries or support related to the TLR1 HL WEAPONLIGHT, please refer to the manufacturer's website or customer service resources.

By following these safety guidelines and instructions, you can ensure safe and effective use of your TLR1 HL WEAPONLIGHT. Thank you for prioritizing safety in your use of this product.
