

# HORIZONTAL MAGAZINE CARRIER - GALCO INTERNATIONAL HORIZONTAL MAG CARRIER .40 STAGGERED POLYMER MAG-TAN

[Shooting Accessories](#) > [Holsters & Belt Gear](#) > [Magazine Belt Pouches](#)

Providing an alternative to the traditional vertical magazine carrier, the Horizontal Magazine Carrier holds a single spare magazine in a horizontal position. Two belt channels allow placement around a belt loop for added stability and security. The tension unit adjustment provides a custom fit and secure magazine carry. The HMC™ is ambidextrous, available in tan and black accommodating belts up to 1 1/2" wide.

# HORIZONTAL MAGAZINE CARRIER SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the Horizontal Magazine Carrier by Galco International. This product is designed to provide a secure and convenient way to carry your spare magazine. It is essential to follow these safety instructions to ensure safe usage and to maximize the product's effectiveness.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Regularly inspect the magazine carrier for any signs of wear or damage.
- Keep the carrier and magazines away from children and unauthorized users.
- Store the magazine carrier in a safe location when not in use.
- Report any unsafe conditions or product malfunctions to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Do not overload the carrier with more than one magazine as intended.
- Ensure the magazine is securely placed in the carrier before use.
- Adjust the tension unit to ensure a snug fit for the magazine, preventing accidental drops.
- Avoid using the carrier if it shows signs of damage or if the tension unit is malfunctioning.
- Always check that the carrier is properly attached to your belt before moving.
- Be cautious when drawing the magazine from the carrier, ensuring that your fingers are clear of the magazine release.

## Instructions for Installation and Usage

### 1. Installation

- Locate the two belt channels on the Horizontal Magazine Carrier.
- Slide the carrier onto your belt, ensuring that it is positioned securely around a belt loop for added stability.
- Adjust the carrier's position to your comfort level.

### 2. Adjusting Tension

- Use the tension unit adjustment feature to customize the fit.
- Turn the adjustment screw clockwise to increase tension and counterclockwise to decrease tension.
- Test the fit by placing a magazine in the carrier and ensuring it is secure.

### 3. Usage

- To insert a magazine, align it with the carrier and push it in until it clicks into place.
- To remove the magazine, grasp the magazine firmly and pull it straight out.
- Always ensure that the magazine is facing the correct direction for easy access.

## **Disposal Instructions**

- Dispose of the Horizontal Magazine Carrier in accordance with local regulations.
- If the product is damaged beyond repair, consider recycling the polymer material if possible.
- Do not dispose of the product in regular household waste if local guidelines specify otherwise.

## **Contact Information for Further Support**

For any inquiries regarding safety or product issues, please refer to the EU contact point designated for this product. Stay informed about safety updates and recall information through the EU's Safety Gate platform.

By following these instructions and guidelines, you can ensure the safe use of your Horizontal Magazine Carrier. Thank you for prioritizing safety!
