

# AR-15 ADJUSTABLE PISTON SYSTEM W/0.750" GAS BLOCK RIGHT HAND - SUPERLATIVE ARMS AR-15 ADJ PISTON SYSTEM W/SOLID .750" GAS BLOCK MIDLENGTH RH

[Rifle Parts](#) > [Gas System Parts](#) > [Gas Piston Conversion Kits](#)

SUPERLATIVE ARMS LLC RIGHT HAND ADJUSTABLE PISTON SYSTEM W/0.750" GAS BLOCK FOR AR-15 The Superlative Arms patent pending "Bleed Off", direct impingement, gas block for the AR15 platform adjusts the gas flow by bleeding the gas out of the block instead of restricting the flow like conventional adjustable blocks. NOT RATED FOR 300 BLACKOUT IN PISTOL LENGTH Results: The pressure used in the block is reduced only to the amount required to drive the bolt carrier. The remaining gas / pressure are bled out of the block allowing the system to run much cleaner and cooler. Reduction of felt recoil. Patented adjustment detent is located outside of the block and therefore no contamination. The gas adjustment screw does not restrict the gas flow; therefore there is no erosion or seizing of the screw / no loss of detent due to carbon build up. Although it is removable, we have added a safety mechanism, which stops you from unintentionally backing the screw all the way out. When using SBR's and / or suppressors the bleed off port allows the excessive pressure to be exhausted out of the block reducing blow back. DATA: Firearm Type: AR15 Gas Length: Pistol, Carbine, Mid-Length, and Rifle Weight: 12.8 oz., 13.1 oz, 13.4 oz, and 13.8 oz Piston Block Attachment Type: Clamp On, Socket Head Cap Screws Piston Block Material and Finish: 416 SS, Melonite Carrier: Ion Bonded, 1 pc. Carrier w/ Skis and Dimpled Key Gas Adjustment: 30 Locked Positions, Front Of Block Bleed Off Port: Front Of Block INCLUDED: Piston Block Assembly Carrier (bolt not included). (1) 3/32" X 6" Hex Key (tool to adjust gas screw) (1) 9/64" X 6" Hex key (tool to install/remove gas block plug) (1) Bushing and insert tool Installation Instructions & QR Code For Video Tutorial

## Attributes

- Name: [SUPERLATIVE ARMS AR-15 ADJ PISTON SYSTEM W/SOLID .750" GAS BLOCK MIDLENGTH RH](#)
- Manufacturer: [SUPERLATIVE ARMS](#)
- Product no.: 100020585
- Mfr. No.: SABOPSM750SM
- Finish: Melonite
- Gas System Length: Mid-Length
- Weapon type: AR-15
- Delivery weight: 0.068kg
- Shipping height: 33mm
- Shipping width: 122mm
- Shipping length: 196mm
- UPC: 850011846193

## Item details

Made in USA

US export classification: I(g)

# Safety Instruction Guide for AR15 Adjustable Piston System

## Introduction

Thank you for choosing the Superlative Arms AR15 Adjustable Piston System with a 0.750" gas block. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this manual carefully before installation and use.

## General Safety Guidelines

- **Product Safety:** This product is designed for safe use in accordance with applicable EU regulations. Ensure that you are familiar with the safety features and operation of the system.
- **Enhanced Recalls:** Stay informed about product recalls. If this product is found to be unsafe, you will be notified through standardized recall notices.
- **Online Shopping:** Ensure that you purchase this product from authorized dealers that comply with safety regulations.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure that it is stored and used in a manner that prevents access by minors.
- **EU Contact Point:** For any safety inquiries, refer to the contact information provided by the retailer.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on product safety.

## Specific Safety Precautions for Use

- **Age Restriction:** This product is intended for use by individuals aged 18 and older. Ensure that all users are of legal age.
- **Proper Training:** Only individuals trained in the safe handling of firearms should use this product. Seek professional training if necessary.
- **Protective Gear:** Always wear appropriate protective gear, including eye and ear protection, when operating firearms.
- **Inspection:** Regularly inspect the piston system for any signs of wear or damage. Do not use the product if any components are damaged.
- **Gas Adjustment:** Adjust the gas flow only when the firearm is unloaded and pointed in a safe direction.
- **Bleed Off Port:** Ensure that the bleedoff port is not obstructed and is functioning properly to avoid excessive pressure buildup.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is completely unloaded before beginning installation.
- Use the provided tools (3/32" Hex Key and 9/64" Hex Key) for installation.
- Follow these steps for installation:
  - Remove the existing gas block from the firearm.
  - Position the Superlative Arms Piston Block over the barrel, aligning it with the mounting points.
  - Secure the piston block using the clampon method with socket head cap screws.
  - Ensure that the gas adjustment screw is set to the desired position before securing.
  - Confirm that the bleedoff port is unobstructed and facing the correct direction.

### 2. Usage:

- After installation, check the gas adjustment settings and make any necessary adjustments while

the firearm is unloaded.

- When ready to fire, ensure that you are in a safe environment and follow all firearm safety protocols.
- Monitor the performance of the piston system during use. If you notice any irregularities, stop using the firearm immediately and inspect the system.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact local waste management or recycling centers for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any further inquiries regarding safety or product support, please refer to the contact information provided by your retailer or manufacturer. Ensure that you have the product details on hand for a more efficient response.

By following these guidelines, you can help ensure the safe and effective use of the Superlative Arms AR15 Adjustable Piston System. Always prioritize safety and proper handling of firearms.
