

DUAL ACTION OUTDOORSMAN HOLSTERS - GALCO INTERNATIONAL

DUAL ACTION OUTDOORSMAN S&W L FRAME 686 6" -TAN-RIGHT HAND

[Home](#)

The Dual Action Outdoorsman holster is great for field carry whether hunting or for peace of mind in bear country. The DAO™ can be worn strong side or crossdraw at the user's discretion. The holster employs a retention strap for simplicity and security in the brush. The retention strap has a large polymer tab to aid in snapping and unsnapping with a gloved hand. Tension screw adjustments allow for a custom fit to your revolver. Constructed of premium saddle leather, the DAO fits belts up to 1 3/4".

Safety Instruction Guide for DUAL ACTION OUTDOORSMAN HOLSTERS

Introduction

Thank you for choosing the DUAL ACTION OUTDOORSMAN HOLSTER by GALCO INTERNATIONAL. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your holster. It is important to read and understand these instructions before using the product.

General Safety Guidelines

- Ensure that the holster is compatible with your firearm model, specifically the Smith & Wesson Model 686 6".
- Always treat your firearm as if it is loaded, even when it is secured in the holster.
- Store the holster in a safe place, away from children and unauthorized users.
- Regularly inspect the holster for wear and tear, including the retention strap and tension adjustments.
- Follow all local laws and regulations regarding the carry and use of firearms.

Specific Safety Precautions for Use

- Always use the holster as intended. Do not modify or alter the holster in any way.
- Ensure the retention strap is properly secured when carrying your firearm.
- Use caution when drawing or reholstering your firearm to avoid accidental discharge.
- When wearing the holster, ensure it is securely attached to your belt and fits snugly against your body.
- Avoid wearing the holster in situations where it could get caught on objects or impede movement.

Instructions for Installation and Usage

1. Wearing the Holster:

- Position the holster on your right side (strong side) or across your body (crossdraw) as preferred.
- Ensure that the retention strap is facing away from your body for easy access.
- Thread your belt through the holster's belt slots, ensuring a secure fit.

2. Adjusting the Tension:

- Locate the tension screw on the holster.
- Use a screwdriver to adjust the tension to fit your revolver snugly. Ensure that the firearm is secure but can be drawn easily.

3. Using the Retention Strap:

- To secure your firearm, place it into the holster and pull the retention strap over the grip.
- Snap the polymer tab into place to secure the strap.
- To draw your firearm, unsnap the retention strap using the polymer tab, which is designed for ease of use even with gloves.

4. Removing the Holster:

- To remove the holster, unsnap the retention strap and carefully slide the holster off your belt.

Disposal Instructions

- Dispose of the holster responsibly when it is no longer needed or if it is damaged beyond repair.
- If disposing of the holster, ensure that it is done in accordance with local waste disposal regulations.
- Do not burn the holster as it may contain materials that can release harmful substances.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and usage of your DUAL ACTION OUTDOORSMAN HOLSTER, please refer to the manufacturer's contact information provided with your product.

Conclusion

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your DUAL ACTION OUTDOORSMAN HOLSTER. Always prioritize safety, and remain informed about the correct usage of your holster. Thank you for your attention to these important guidelines.
