

DUAL POSITION PHOENIX HOLSTERS - GALCO INTERNATIONAL

DUAL POSITION PHOENIX S&W L FRAME 686 4" -TAN-LEFT HAND

[Home](#)

This exceptional sportsman's holster can be used strong side or crossdraw at the user's discretion. The Dual Position Phoenix™ features stitched sight rails to protect both leather and sights, reinforced thumb break with covered snap for security in the brush and a swift draw, and tension screw adjustment for a custom fit to your handgun. Constructed of premium saddle leather with silicone suede lining, the Dual Position Phoenix fits belts up to 1 3/4". Made for semiautomatic pistols and double-action revolvers, the Dual Position Phoenix is available in right and left hand designs in tan.

DUAL POSITION PHOENIX HOLSTERS Safety Instruction Guide

Introduction

Thank you for choosing the DUAL POSITION PHOENIX HOLSTER by GALCO INTERNATIONAL. This holster is designed for versatility, allowing strong side or crossdraw carry. To ensure your safety and the effective use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the holster is compatible with your firearm model (Smith & Wesson Model 686 4").
- Always keep your firearm unloaded when inserting or removing it from the holster.
- Regularly inspect the holster for wear and tear, ensuring that all components are functioning properly.
- Store the holster and firearm in a secure location, out of reach of children and unauthorized users.
- Be aware of your surroundings and practice safe handling of your firearm at all times.

Specific Safety Precautions for Use

- Use the holster only for its intended purpose: carrying a semiautomatic pistol or doubleaction revolver.
- Ensure that the retention strap is properly secured to prevent accidental release of the firearm.
- Adjust the tension screw for a custom fit, ensuring that the firearm is held securely without being overly tight.
- When drawing your firearm, do so in a safe direction, keeping your finger off the trigger until you are ready to fire.
- Avoid wearing loose clothing that could interfere with the draw or concealment of the holster.

Instructions for Installation and Usage

1. Fitting the Holster

- Slide the holster onto your belt, ensuring it is positioned comfortably on your hip.
- Adjust the tension screw to achieve a secure fit for your firearm.

2. Inserting the Firearm

- Ensure the firearm is unloaded.
- Carefully insert the firearm into the holster, ensuring it is seated properly.
- Secure the retention strap over the firearm to prevent accidental movement.

3. Drawing the Firearm

- Grip the holster firmly with one hand.
- With the other hand, release the retention strap.
- Draw the firearm smoothly, ensuring your finger remains off the trigger until you are in a shooting position.

4. Removing the Holster

- To remove the holster, unbuckle or unsnap any securing mechanisms.
- Slide the holster off your belt carefully.

Disposal Instructions

- When the holster is no longer needed or has reached the end of its life, dispose of it in accordance with local regulations.
- Do not dispose of the holster in a manner that poses a risk to the environment or public safety.

Contact Information for Further Support

For any safety inquiries or concerns regarding this product, please contact the manufacturer or your local distributor. Ensure you have the product details ready for efficient assistance.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with your DUAL POSITION PHOENIX HOLSTER. Always prioritize safety and responsible firearm handling. Thank you for your attention to these important guidelines.
