

# DUAL POSITION PHOENIX HOLSTERS - DUAL POSITION PHOENIX S&W L FRAME 686 6" -TAN-RIGHT HAND

[Home](#)

This exceptional sportsman's holster can be used strong side or crossdraw at the user's discretion. The Dual Position Phoenix™ features stitched sight rails to protect both leather and sights, reinforced thumb break with covered snap for security in the brush and a swift draw, and tension screw adjustment for a custom fit to your handgun. Constructed of premium saddle leather with silicone suede lining, the Dual Position Phoenix fits belts up to 1 3/4". Made for semiautomatic pistols and double-action revolvers, the Dual Position Phoenix is available in right and left hand designs in tan.

# DUAL POSITION PHOENIX HOLSTERS Safety Instruction Guide

## Introduction

Thank you for choosing the DUAL POSITION PHOENIX HOLSTER for your Smith & Wesson L Frame 686 6" handgun. This guide provides essential safety instructions to ensure the safe and effective use of your holster. Please read this document carefully before use.

## General Safety Guidelines

- Always ensure that your handgun is unloaded before inserting it into the holster.
- Use the holster only for its intended purpose – to carry your handgun securely.
- Regularly inspect the holster for wear and tear. Do not use if damaged.
- Keep the holster out of reach of children and unauthorized users.
- Be aware of your surroundings when drawing or reholstering your handgun.
- Follow all local laws and regulations regarding firearm carry and use.

## Specific Safety Precautions for Use

- Ensure that the tension screw is adjusted properly for a secure fit of your handgun.
- Always use the holster in a manner that allows for a safe and swift draw.
- When using the crossdraw position, practice drawing the handgun in a safe environment to avoid accidents.
- Do not overload the holster with accessories that may compromise safety.
- Avoid exposing the holster to extreme temperatures or moisture, as this may affect its integrity.
- Be mindful of the holster's position on your body to prevent accidental discharge.

## Instructions for Installation and Usage

### 1. Choosing the Position:

- Determine whether you prefer strong side or crossdraw carry.
- Adjust the holster accordingly to ensure comfort and accessibility.

### 2. Inserting the Handgun:

- Ensure the handgun is unloaded.
- Slide the handgun into the holster, ensuring it fits securely.

### 3. Adjusting the Tension:

- Locate the tension screw on the holster.
- Use a screwdriver to adjust the tension to your desired level. The handgun should fit snugly without being overly difficult to draw.

### 4. Wearing the Holster:

- Thread your belt through the holster's belt loops.
- Ensure the holster fits snugly against your body for stability.

### 5. Drawing the Handgun:

- Practice drawing the handgun in a safe environment.

- Use a smooth motion to draw the handgun from the holster.

#### **6. Reholstering:**

- Always ensure the handgun is pointed in a safe direction.
- Insert the handgun back into the holster slowly and carefully.

## **Disposal Instructions**

When it comes time to dispose of your holster, follow these guidelines: \* If the holster is damaged, do not attempt to repair it. Dispose of it responsibly. \* Check local regulations for proper disposal methods of leather and synthetic materials. \* Consider recycling options if available in your area.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the DUAL POSITION PHOENIX HOLSTER, please reach out to your local retailer or the manufacturer directly. They will provide the necessary support and guidance.

## **Conclusion**

Your safety is our priority. By following these guidelines and instructions, you can ensure a safe and effective experience with your DUAL POSITION PHOENIX HOLSTER. Always prioritize safety and stay informed about best practices. Thank you for your attention to these important safety measures.
