

DUAL POSITION PHOENIX HOLSTERS - GALCO INTERNATIONAL

DUAL POSITION PHOENIX S&W L FRAME 686 6" -TAN-LEFT HAND

[Home](#)

This exceptional sportsman's holster can be used strong side or crossdraw at the user's discretion. The Dual Position Phoenix™ features stitched sight rails to protect both leather and sights, reinforced thumb break with covered snap for security in the brush and a swift draw, and tension screw adjustment for a custom fit to your handgun. Constructed of premium saddle leather with silicone suede lining, the Dual Position Phoenix fits belts up to 1 3/4". Made for semiautomatic pistols and double-action revolvers, the Dual Position Phoenix is available in right and left hand designs in tan.

Safety Instruction Guide for DUAL POSITION PHOENIX HOLSTERS

Introduction

Thank you for choosing the DUAL POSITION PHOENIX HOLSTER by GALCO INTERNATIONAL. This guide provides essential safety instructions to ensure the safe use and maintenance of your holster. Please read this document carefully to familiarize yourself with the proper handling and care of your product.

General Safety Guidelines

- Always ensure that your firearm is unloaded before placing it in the holster.
- Inspect the holster regularly for signs of wear or damage.
- Do not expose the holster to extreme heat or moisture, as this can compromise its integrity.
- Keep the holster out of reach of children and unauthorized users.
- Use the holster only for its intended purpose: to carry a Smith & Wesson Model 686 6" revolver or compatible models.
- Follow all local laws and regulations regarding firearm carry and storage.

Specific Safety Precautions for Use

- Ensure the retention strap is secured when the holster is not in use.
- Adjust the tension screw to achieve a secure fit for your handgun.
- When drawing your firearm, use a smooth and deliberate motion to avoid accidental discharge.
- Avoid placing your holster in locations where it can be bumped or knocked over.
- If using the crossdraw position, practice drawing your firearm in a safe environment to become familiar with the motion.

Instructions for Installation and Usage

1. Fitting the Holster:

- Determine whether you will use the holster in a strong side or crossdraw position.
- Adjust the holster to fit your belt, ensuring it can accommodate belts up to 1 3/4".

2. Securing the Firearm:

- Ensure the firearm is unloaded.
- Slide the firearm into the holster, ensuring it is seated properly.
- Secure the retention strap over the firearm to prevent it from falling out.

3. Drawing the Firearm:

- Grip the holster firmly with one hand.
- Use your other hand to pull the firearm out, ensuring a clear path of motion.
- Practice drawing in a safe environment to improve your speed and accuracy.

4. Removing the Holster:

- To remove the holster, unbuckle the retention strap.
- Carefully slide the holster off your belt, avoiding any sudden movements.

Disposal Instructions

- When the holster reaches the end of its usable life, dispose of it responsibly.
- If the holster is damaged beyond repair, consider recycling the leather material if possible.
- Check local regulations for proper disposal methods of leather products.

Contact Information for Further Support

For safety inquiries or additional support, please refer to the manufacturer's website or customer service resources provided with the product packaging.

By adhering to these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your DUAL POSITION PHOENIX HOLSTER. Thank you for prioritizing safety in your firearm handling practices.
