# Safety Instruction Guide for DUAL POSITION PHOENIX HOLSTERS

## Introduction

Thank you for choosing the DUAL POSITION PHOENIX HOLSTER by GALCO INTERNATIONAL. This holster is designed for safe and versatile carry of your Smith & Wesson N Frame 625 5" handgun. Please read this safety instruction guide thoroughly to ensure safe usage and maintenance of your holster.

## General Safety Guidelines

- Always ensure the holster is suitable for your specific firearm model before use.
- Inspect the holster for any signs of wear or damage before each use.
- Keep the holster away from children and unauthorized users.
- Always follow local laws and regulations regarding firearm carry and holster use.
- Store the holster in a safe place when not in use to prevent unauthorized access.

## Specific Safety Precautions for Use

- Ensure the firearm is unloaded before inserting it into the holster.
- Adjust the tension screw for a secure fit to prevent accidental release of the firearm.
- Use the reinforced thumb break and covered snap for added security while carrying.
- When using the crossdraw option, ensure that the firearm is easily accessible while maintaining safety.
- Avoid placing the holster in environments that may expose it to extreme temperatures or moisture, as this can affect the integrity of the leather.

## Instructions for Installation and Usage

### Installation

#### 1. Selecting the Position:

- Decide whether you will use the holster in a strong side or crossdraw position.
- Ensure that the holster is positioned comfortably on your belt.

#### 2. Adjusting the Tension:

- Locate the tension screw on the holster.
- Use a screwdriver to adjust the tension screw for a custom fit. A tighter fit may provide more security, while a looser fit may allow for quicker access.

### Usage

#### • Inserting the Firearm:

- Ensure the firearm is unloaded.
- Carefully insert the firearm into the holster, ensuring that it is fully seated.

#### • Drawing the Firearm:

- When ready to draw, use your dominant hand to grasp the grip of the firearm.
- Release the thumb break by pressing the reinforced thumb strap and pulling the firearm straight out of the holster.

- **Reholstering the Firearm:**

- Always ensure the firearm is pointed in a safe direction.
- Carefully insert the firearm back into the holster, ensuring it is fully seated and secure.

## Disposal Instructions

- If the holster is no longer usable or has reached the end of its life cycle, dispose of it in accordance with local waste disposal regulations.
- Consider recycling the leather material if possible.

## Contact Information for Further Support

For any inquiries related to safety, product information, or assistance, please refer to the manufacturer's contact details provided with your product. Ensure to have the product name and model ready for reference.

By following these safety instructions, you can ensure a secure and effective experience with your DUAL POSITION PHOENIX HOLSTER. Always prioritize safety and compliance with local laws when carrying your firearm. Thank you for your attention to these important guidelines.
